- 17) To pursue activities that fall under the broad category of energy - related and or/ power - related systems, components, accessories and services.

RESOLVED FURTHER THAT the Board of Directors of the Company be and are hereby authorized to take all the requisite, incidental,

consequential steps to implement the above resolution and to perform all such acts, deeds, matters and things as it may, in its absolute discretion, deem necessary, any question, query, or doubt that may arise in this regard, and to execute/publish all such notices, deeds, agreements, papers and writings as may be necessary and required to give effect to this resolution”.

8. Subdivision of existing Equity Share of face value of ₹ 10/- (Ten) each fully paid up into five Equity Shares of face value of ₹ 2/- (Two) each fully paid up.

To consider and, if thought fit, to pass, the following Resolution as an **Ordinary Resolution**.

“RESOLVED THAT pursuant to the provisions of Section 61 and other applicable provisions, if any, of the Companies Act, 2013 read with the Rules framed thereunder (including any statutory modification(s) or any re-enactment(s) thereof for the time being in force) and the provisions of the Memorandum and Articles of Association of the Company, subject to such approvals and consents as may be required from appropriate authorities, the consent of the Members of the Company be and is hereby accorded for sub-division of Equity Share of face value of ₹ 10/- (Ten) each fully paid up into five Equity Shares of face value of ₹ 2/- (Two) each fully paid up;

RESOLVED FURTHER THAT pursuant to the sub-division of Equity Shares of the Company, each of the authorized, issued, subscribed and paid up Equity Shares of the Company, of face value ₹ 10/- (Rupees Ten only) each existing on the record date, to be fixed by the Company, shall stand sub-divided into five Equity Shares of face value of ₹ 2/- (Rupees Two only) each fully paid up;

RESOLVED FURTHER THAT pursuant to the sub-division of the face value of Equity Shares as mentioned above, the share certificate(s) in relation to the existing issued Equity Shares of the face value of ₹ 10/- each, held in physical form shall be deemed to have been

NOTICE TO THE SHAREHOLDERS

automatically cancelled with effect from the record date to be fixed by the Board, and the Board be and is hereby authorized, without requiring to surrender the existing issued share certificate(s) by the Members, to issue new share certificate(s) in lieu of the existing share certificate(s), with regard to the sub-divided shares, and in case of the Equity Shares held in the dematerialized form, the number of sub-divided equity shares be credited proportionately to the respective beneficiary accounts of the Members with the Depository Participants, in lieu of the existing credits in their beneficiary accounts representing the Equity Shares of the Company before sub-division;

RESOLVED FURTHER THAT the Board be and is hereby authorized to take such steps as may be required to obtain approvals in relation to the above mentioned Resolutions and do such further acts, deeds or things as may be required to give effect to sub-division of Equity Shares of the Company;

RESOLVED FURTHER THAT the Board of Directors of the Company be and are hereby severally authorized to:

- a) execute and file necessary applications, declarations and other documents with Stock Exchanges, Depositories, Registrar and Transfer Agents and/or any other statutory authority(ies), if any,
- b) settle any question or difficulty that may arise with regards to sub-division of the shares as aforesaid or on any matters connected therewith or incidental thereto; and
- c) do all such acts, deeds, things, including all other matters incidental thereto in order to implement the foregoing resolution”.

9. Alteration of Capital Clause V of Memorandum of Association (MOA) of the Company

To consider and, if thought fit, to pass, the following Resolution as an **Ordinary Resolution**.

“RESOLVED THAT pursuant to the provisions of Section 13 and other applicable provisions, if any, of the Companies Act, 2013, read with the Rules framed thereunder (including any statutory modification(s) or any re-enactment(s) thereof for the time being in force) existing Clause V of the Memorandum of Association (MOA) of the Company be and is hereby substituted with the following:

V The Authorised Share Capital of the Company is ₹ 7,50,00,000/- (Rupees Seven crore Fifty lakhs only) divided into 3,75,00,000 Equity Shares of ₹ 2/- (Rupees two only) each. The Company has the power to increase or reduce its capital from time to time subject to the provisions of Companies Act, 2013 and to issue any shares as Equity Shares and to attach to any class or classes of such shares, any rights, privileges, or priorities in payment of dividends or distribution of assets or otherwise over any other shares or to subject the same to any restrictions, limitations or conditions and to vary the class of shares and/or Regulations of the Company as far as may be deemed necessary to give effect to the same and upon the sub-division of any shares to apportion the right to participate in profits in any manner;

RESOLVED FURTHER THAT the Board of Directors of the Company be and are hereby severally authorised to do all such acts, deeds, matters and things and take all such steps as may be necessary, proper, expedient or desirable for the purpose of giving effect to this Resolution and for matters connected therewith or incidental thereto”.

(By order of the Board)

For **HIGH ENERGY BATTERIES (INDIA) LIMITED**

S.V. RAJU

Chennai
7th May 2022

NOTICE TO THE SHAREHOLDERS

NOTES:

1. AGM through Hybrid mode

Ministry of Corporate Affairs (“MCA”) vide its recent circular (General Circular 02/2022) dated 05.05.2022 and the Securities and Exchange Board of India (“SEBI”) vide its circulars have allowed companies to hold their Annual General Meeting (“AGM”) through Video Conference (“VC”) or Other Audio Visual Means (“OAVM”) until December 2022.

However for the benefit of shareholders and for wider participation, the 61st AGM of the Company will be held in physical mode at the AGM venue (conforming to Covid-19 protocols) with additional facility for stakeholders to participate through Video Conference (VC) / Other Audio Visual Means (OAVM).

2. Quorum / Proxy form / Authorisation

A Member entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend and vote on a poll instead of himself and such proxy need not be a member of the company.

Appointment of proxies either for attending the meeting or for voting will not be applicable for shareholders participating through VC / OAVM.

Proxies in order to be effective, must be received at the registered office of the Company not later than 48 hours before the commencement of the meeting.

The presence of shareholders at the venue or through VC / OAVM will be reckoned for the purpose of quorum under Section 103 of the Companies Act, 2013.

Corporate shareholders entitled to appoint authorized representatives are requested to send a duly certified copy of Board Resolution authorizing their representative(s) to attend and vote at the AGM, pursuant to Section 113 of the Companies Act, 2013.

3. Particulars of Directors

Particulars of Directors seeking re-appointment pursuant to Regulation 36(3) of the Listing Regulations are given in **Appendix-A** that forms part of this Notice.

4. Explanatory Statement / Special Business

Statement pursuant to Section 102(1) of the Act in respect of the Special Business and Regulation 17(1A) of the Listing Regulations in respect of Special Resolutions to be transacted at the meeting is annexed hereto.

5. Book Closure

The Register of Members and the Share Transfer books of the Company will remain closed from Friday, 17th June, 2022 to Wednesday, 29th June, 2022 (both days inclusive).

6. Dividend

Dividend on declaration will be paid on Tuesday, the 5th July, 2022 electronically to those members who have updated their bank details with their Depository Participants (DP) or with the Company / Registrar and Transfer Agent (RTA). The payment of such dividend is subject to deduction of tax at source.

7. Mailing of AGM Notice & Annual Report

In compliance with MCA / SEBI circulars, the Notice of 61st AGM and the Annual Report for the FY 2021 - 2022 are being sent only by electronic mode to shareholders whose email address is registered either with the Company / Registrar & Transfer Agent (RTA)/ Depository Participants (DPs). However, the physical copy of the Annual Report shall be made available upon the request from the Member(s) from case to case basis.

In deference to Regulation 44 (4) of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 [LODR] proxy form in Form no MGT-11 have been despatched to the shareholders whose email ids are not registered.

NOTICE TO THE SHAREHOLDERS

The AGM Notice and Annual Report are available on the website of the Company www.highenergy.co.in and on the website of the Stock Exchange i.e. BSE Ltd www.bseindia.com. The AGM Notice is also available on the website of CDSL (agency for providing the Remote e-Voting facility and e-Voting System during the AGM) www.evotingindia.com.

8. Procedure for obtaining the Annual Report, AGM Notice and e-Voting instructions by the shareholders whose email addresses are not registered with the DPs/ RTA

Shareholders are advised to register/ update their email address and mobile number immediately, in case they have not done so earlier:

- In case of shares held in demat mode, with their respective DPs.
- In case of shares held in physical mode, send an email to our RTA – M/s. Cameo Corporate Services Limited at investor@cameoindia.com mentioning the Name of Member(s), Folio number along with the self-attested copy of PAN card.
- After due verification the RTA will send login credentials for attending the AGM and voting to the registered email address.
- Shareholders are advised to send the above documents to the RTA before the book closure date i.e. Friday, the 17th June 2022 to receive the Annual Report for the FY 2021 – 2022 through email.
- Any person who becomes a shareholder of the company after despatch of the AGM Notice and holding shares as on the cut-off date may obtain the user Id and password in the manner provided in the AGM Notice.

9. Attending AGM through VC /OAVM

The Company has appointed Central Depository Services Limited (CDSL), to provide VC/OAVM facility. The detailed procedure and manner for participation in AGM through VC/OAVM is given.

10. Members identification

Members holding their shares in Demat form are requested to bring in their DP ID Number (Client ID Number) for ease of identification and recording of attendance at the meeting.

Members are requested to bring the attendance slips duly filled to the AGM and the identity proof to be produced, if and when required.

11. Inspection of documents

The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Act and all other documents referred in notice will be available for inspection by the members during normal business hours on any working day of the company.

12. Gifts

No gifts, gift coupons or cash in lieu of gifts shall be distributed to Members at or in connection with the Annual General Meeting in terms of Clause 14 of Secretarial Standard (SS-2) pertaining to distribution of Gifts at Annual General Meeting.

13. Route Map

Route Map showing the location of and directions to reach the venue of the 61st AGM is attached pursuant to Secretarial Standard 2 on General Meetings.

Procedure for participation in the 61st AGM through VC / OAVM

1. The Company has engaged CDSL to provide VC/OAVM facility as an additional option for its shareholders to participate in the AGM.
2. Shareholders will be able to attend the AGM in this mode by using their e-Voting login credentials.

NOTICE TO THE SHAREHOLDERS

3. Facility to join the meeting will open 30 minutes before the scheduled time of the AGM and will be kept open throughout the proceedings of the AGM.
4. Shareholders desiring to express their views/ ask questions during the meeting either in person or through VC /OAVM may register themselves as a speaker. Request for this may be mailed to hebcnn@highenergy.co.in on or before Friday, 24th June 2022 (5.00 PM).
5. Only those shareholders who have registered themselves as a speaker will be allowed to speak or ask questions at the AGM. The company reserves the right to restrict the number of questions and number of speakers depending upon the availability of time for conduct of the AGM.
6. Shareholders who do not wish to speak during the AGM but have queries or views may send the same in advance to the company in the same manner stated above. Their queries will be replied suitably by the company through email.
7. Shareholders are advised to quote their Name, DP ID / Client ID and Folio No. in all their communications.

8. Help Centre

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL or in physical mode	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-23058738 and 022-23058542-43.

Voting Process & Instructions:

A) Remote e-Voting Facility

1. In terms of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules

2014, the company is pleased to provide to its members the facility to exercise their right to vote at the 61st Annual General Meeting (AGM) on resolutions proposed to be considered thereat by electronic means. For this purpose, “Remote e-Voting” facility is offered whereby a member can cast his vote using an electronic system from a place of his choice.

2. The Remote e-Voting facility is offered through e-Voting services provided by Central Depository Services (India) Limited (CDSL).
3. Remote e-voting commences on Saturday, the 25th June 2022 (9.00 A.M.) and ends on Tuesday, the 28th June, 2022 (5.00 P.M.). During

NOTICE TO THE SHAREHOLDERS

this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Wednesday, the 22nd June 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

B) Login for Remote e-Voting / joining the meeting

1. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
2. In order to increase the efficiency of the voting process, all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants, will be able to cast their vote without having to register again with the E-voting Service Providers (ESPs).
3. Pursuant to said SEBI Circular, Login for e-Voting and joining virtual meetings for shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method.
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> 1) Shareholders (user) who have opted for CDSL's Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The URLs for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com. NOTICE TO THE SHAREHOLDERS

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL ADDRESSES ARE NOT REGISTERED WITH THE COMPANY/RTA/DEPOSITORIES.

1. For Physical shareholders- send an email to our RTA – M/s. Cameo Corporate Services Ltd at investor@cameoindia.com mentioning the Name of Member(s), Folio number along with the self-attested copy of PAN card. Shareholders are advised to send the above documents to the RTA before the book closure date ie. Friday, the 17th June 2022.
2. For Demat shareholders - Please update your email id & mobile no. with your respective Depository Participant (DP).
3. For Individual Demat shareholders – Please update your email id & mobile no. with your respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.

Login method for e-Voting and joining virtual meetings for shareholders (holding Physical / Demat form) and Non Individual shareholders.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.

- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) * Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. * If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

7. After entering these details appropriately, click on “SUBMIT” tab.
8. Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible

NOTICE TO THE SHAREHOLDERS

to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

9. For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
10. Select EVSN (Electronic Voting Sequence Number) **220524001** of High Energy Batteries (India) Limited.
11. On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
12. Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
13. After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
14. Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
15. You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
16. If a demat account holder has forgotten the login password then Enter the User ID

and the image verification code and click on Forgot Password & enter the details as prompted by the system.

Additional Facility for Non-Individual Shareholders and Custodians – For Remote Voting only.

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address hebcnn@highenergy.co.in, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

NOTICE TO THE SHAREHOLDERS

Voting at AGM

1. The Company also offers the facility to the Shareholders for voting at AGM through two options i) Physical Ballot (Polling) paper, for shareholders present in person at AGM ii) e-Voting system facility for shareholders participating the AGM through VC/OAVM.
2. Shareholders who could not vote through remote e-voting may avail the above voting options provided at the AGM by CDSL.
3. Only those shareholders, who are present in the AGM through VC/OAVM facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote during the AGM by availing the option of e-Voting system facility.
4. In case of joint holders attending the meeting, only the joint holder who is higher in the order of names will be entitled to vote at the AGM.
5. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting in person (or) through VC/OAVM. However, they will not be eligible to vote at the AGM.

GENERAL INSTRUCTIONS

1. The cut-off date for the purpose of e-voting has been fixed as Wednesday, the 22nd June 2022. Members holding shares as on this cut-off date alone are entitled to vote under either mode.
2. In case of persons who have acquired shares and become members of the company after the despatch of AGM Notice, the company would be mailing the 61st Annual Report for 2021 - 2022 to their registered email address as and when they become shareholders.
3. Voting rights of shareholders shall be in proportion to their shareholding in the

company as on the cut-off date of Wednesday, the 22nd June 2022.

4. In case a shareholder by inadvertence or otherwise has voted under both options, his voting by Remote e-Voting only will be considered.
5. Mr A S Kalyanaraman, Practicing Chartered Accountant (Membership No.201149) has been appointed as the Scrutinizer.
6. The Scrutinizer will after the conclusion of voting at the AGM:
 - (i) First count the votes cast at the meeting through polling paper.
 - (ii) Then unblock the votes cast through Remote e-Voting / e-Voting at the AGM.
 - (iii) Both the above will be done in the presence of two witnesses not in the employment of the company.
 - (iv) Make a consolidated Scrutinizer's report (integrating the votes cast at the meeting and through Remote e-Voting) of the total votes cast in favour or against, if any, and submit to the Chairman.
 - (v) The Scrutinizer's report as above would be made soon after the conclusion of AGM and in any event not later than three days from the conclusion of the meeting.

VOTING RESULTS

- (i) The Chairman or a person authorized by him in writing will authenticate the result of the voting based on the Scrutinizer's report.
- (ii) The results declared along with the scrutinizer's report will be placed on the company's website www.highenergy.co.in and on the website of CDSL www.evotingindia.com immediately after the result is declared and also communicated to BSE.

NOTICE TO THE SHAREHOLDERS

(iii) Subject to receipt of requisite number of votes, the resolution shall be deemed to be passed on the date of AGM.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 3: Reappointment of retiring Director

Mr N Gopalaratnam [DIN:00001945], aged 75 years, has been associated with our company since 1991. He comes under the promoter category.

Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations 2018 effective from 1st April 2019 requires that special resolution is to be passed by the shareholders for the appointment of a person or his continuance in the directorship of a company if he has attained the age of 75 years. Since Mr N Gopalaratnam has attained the age of 75 years, it is proposed to pass a special resolution for the current re-appointment.

Mr N Gopalaratnam, who is the present non-executive Chairman of the Company, associated with the company since 1991 is very active and under his stewardship, the Company has witnessed tremendous growth. In the opinion of the Board, he is suitable for being continued as a Director of the company despite attaining the age of 75 years. The Board accordingly recommends his re-appointment by special resolution for the consideration of shareholders. Particulars required under Regulation 36(3) of the Listing Regulations are given in Appendix A that forms part of this Notice.

Except Mr N Gopalaratnam, no other director or Key Managerial Personnel of the company or their relatives are concerned or interested financially or otherwise, in this item of business.

The Board accordingly recommends the Special Resolution set out in Item 3 of the Notice for approval of the Members of the Company.

Item No. 5 : Reappointment of Mr M Ignatius as Whole time Director

The Board of Directors of the Company at the Board Meeting held on 26th March, 2022 have reappointed Mr. M Ignatius as Whole time Director designated as Director (Operations) of the Company with effect from 1st April, 2022 (viz. from 01.04.2022 to 31.03.2025) whose office is liable to retire by rotation. The Board approved the remuneration package on the recommendation of the Nomination and Remuneration Committee, subject to the approval of Members.

Mr M Ignatius, aged 61, is an Electrical Engineer having served our Company for more than 3 decades and is involved in the development and supply of batteries to DRDO, Defence and Space Quality requirements. He was fully involved in recent development of High Power Silver Zinc batteries for the future Torpedo Program and its Qualification, to meet the requirements of NSTL for under water defence applications.

During his tenure as Director (Operations) a number of developments in silver zinc batteries were completed. The Company is looking to strengthen and continue the level of production and operations, for improving the turnover cum profits. Also some new projects are being pursued, towards diversification and the Company is discussing many options wherein his involvement will be necessary. Accordingly, it is proposed to re-appoint Mr M Ignatius as Director(Operations) of the Company for a further period of three years with effect from 01.04.2022 to 31.03.2025.

Mr. M Ignatius is not disqualified from being appointed as Director in terms of Section 164 of the Companies Act, 2013 and has given his consent to act as Director.

NOTICE TO THE SHAREHOLDERS

Mr. M Ignatius does not hold by himself or for any other person on beneficial basis, any shares in the Company. He is neither a director nor a member in any other Company registered in India.

The terms and conditions would be made available for inspection without any fee by the Members at the Registered Office of the Company during normal business hours on any working day of the Company.

Mr. M Ignatius is not related to any Director of the Company. None of the other Directors, Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise in this item of business.

The Board accordingly recommends the Ordinary Resolution set out in Item 5 of the Notice for approval of the Members of the Company.

Item No. 6 : Adoption of Articles of Association (AOA) of the Company

Our Company was incorporated on 25th September, 1961 as Simco Meters Ltd. It adopted the Articles of Association signed by the subscribers to the Memorandum on 14th September, 1961 with the provisions contained in the Companies Act, 1956 as well as Table-A of the First Schedule thereto. Its Articles of Association is comprehensive and provisions of said Table A would apply to the extent they are not inconsistent with the provisions contained in Articles of Association. The Company was awarded a fresh certificate of incorporation consequent on the change of name as High Energy Batteries (India) Limited on 12th September, 1983 and the Company has adopted the same Articles of Association till date.

The Company Law has since undergone a major change with the Companies Act, 2013 has come into force from 1st April, 2014. Table-F of Schedule-I

contains a model Articles of Association that may be followed by a company limited by shares. It is optional for a company to adopt the said Table-F either in totality or otherwise.

It is not mandatory for a Company to change its AOA pursuant to the new law. In case of a company registered under any provisions of the Company Law, the new provisions relating to AOA would not apply unless it chooses to amend its Articles under the new Act.

Since our Articles contain several clauses that bear reference to the old Company Law and outdated usages like Managing Agency System etc, it is but desirable and appropriate consequent upon the total substitution of Companies Act, 1956. Hence, we want to adopt a new set of Articles and substitute the old Articles of Association with a new set of Articles of Association.

It is hence proposed to totally replace the existing AOA with a new set of regulations based on the said Table-F. The proposed AOA is comprehensive and the provisions of the said Table-F would apply only to the extent specifically incorporated therein. Its draft is uploaded on the Company's website www.highenergy.co.in for access and perusal by members. Copy of the new draft of AOA is also available for inspection by the members at the Registered office of the company during normal business hours on any working day of the Company.

No Director or Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise in this item of business.

The Board accordingly recommends the Special Resolution set out at Item 6 of the Notice for approval of the Members of the Company.

Item No. 7: Alteration of Main Object Clause

NOTICE TO THE SHAREHOLDERS

of Memorandum of Association (MOA) of the Company

The Company was incorporated on 25th September, 1961 as Simco Meters Limited. It adopted the Memorandum of Association signed by the subscribers to the Memorandum on 14th September, 1961.

The Company was incorporated for manufacture of single phase and poly phase meters for measuring and recording the consumption of electricity in collaboration with Denis Ferranti Meters Company Limited, United Kingdom. In 1979, the Company wanted to diversify to manufacture all kinds of batteries including high energy batteries such as Silver Oxide Zinc batteries, Nickel Cadmium batteries etc, to serve the Defence, Airforce and Navy. The meter unit was hived off in 1983 and the Company was renamed as High Energy Batteries (India) Limited. The Company developed many high tech batteries for Navy and DRDO.

With the introduction of several technologies in the battery fields, and with the advent of new technologies, the Company could look for opportunities to diversify in other field like power generation, precision and pressed components, establishment of tool room and also national accredited testing laboratories. Since our Memorandum of Association was adopted in 1961, suitable amendments are to be made in the object clause to facilitate the Company to go for diversification in various fields.

This calls for the need to amend the Memorandum of Association of the Company under Section 13 of the Companies Act, 2013 and it requires the special resolution to be passed by the shareholders. The amendment will be included in the MOA after the approval of Registrar of Companies.

No Director or Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise in this item of business.

The Board accordingly recommends the Special Resolution set out at Item 7 of the Notice for approval of the Members of the Company.

Item No. 8 & 9: Sub-division of Equity Shares of the Company and Alteration of Capital Clause V of Memorandum of Association (MOA) of the Company

Since the operations of the Company is growing and it is expected to grow significantly in the coming years, this has generated considerable interest in the Company's equity shares in the market. The market price of the shares has increased manifold. In order to improve the liquidity in the Company's Equity Shares and to make the shares more affordable for the investors, it is proposed to sub-divide each equity share having a face value of ₹ 10 /- fully paid up into five equity shares of the face value of ₹ 2/- each. This requires alteration of capital clause in the MOA and also requires approval by the members and by the Registrar of Companies. The Board shall determine the Record Date for sub division of equity shares at a later date.

Sub-division of shares requires the amendment to existing Clause V of the MOA. Presently, the authorized share capital is ₹ 7,50,00,000 (Rupees Seven Crore Fifty Lakhs only) consisting of 75,00,000 of equity shares of ₹ 10 /- each which shall be altered into 3,75,00,000 equity shares of ₹ 2 /- each.

The above mentioned sub-division of shares will not create any change in the voting percentage of shareholders. It is to be noted that, since the Company placed resolution for amendment of

NOTICE TO THE SHAREHOLDERS

AOA there is no need to change the Articles to effect the amendment of share capital (ie. after sub-division).

The Memorandum of Association (MOA), Articles of Association (AOA) and other relevant documents are available for inspection by the Members at the Registered Office of the company during normal business hours on any working day of the Company.

None of the Directors, Key Managerial Personnel of the Company and their relatives is concerned or interested in the Resolutions except to the extent of their shareholding in their Company.

The Board accordingly recommends the Ordinary Resolution set out at Items 8 & 9 of the Notice for approval of the Members of the Company.

(By order of the Board)

BOARD'S REPORT

Your Board hereby presents the 61st Annual Report and the Audited Accounts for the year ended 31st March 2022.

OPERATING RESULTS

The Company's financial performance under review is summarized below:

(₹ in lakhs)

Particulars	For the year ended			
	2021 - 22		2020-21	
Sales (Net of GST)	7925.74		7752.75	
Other Operating Income	29.52	7955.26	30.72	7783.47
Other Income		17.90		11.94
Total Income		7973.16		7795.41
Profit / (Loss) before Finance Cost, Depreciation and Tax		2965.44		3023.74
Less:				
Finance Cost	378.09		512.49	
Depreciation	113.45	491.54	112.43	624.92
Profit / Loss before Tax		2473.90		2398.82
Less:				
Provision for Taxation :				
Current Tax	694.39		133.52	
Deferred Tax	(15.47)	678.92	432.37	565.89
Net Profit / (Loss)		1794.98		1832.93
Other Comprehensive Income		(150.44)		(14.99)
Total Comprehensive Income		1644.54		1817.94

The Company recorded a turnover of ₹ 7925.74 lakhs in the year, as compared to ₹ 7752.75 lakhs, during the previous year.

DIVIDEND

Your Directors recommend a dividend of ₹ 15/- (Rupees Fifteen only) per equity share of ₹ 10/- each for the financial year ended 31st March 2022, absorbing a sum of ₹ 268.92 lakhs, subject to the approval of shareholders at the ensuing Annual General Meeting.

PERFORMANCE REVIEW:

SILVER ZINC BATTERIES

The Company achieved a turnover of ₹ 7429.23 lakhs through Silver Zinc Battery supplies during the FY 2021-2022, as against ₹ 7548.49 lakhs, during the FY 2020-2021.

This was made possible by the regular and on-time placement of Orders by Defence establishments, DRDO and Indian Navy. Availability of orders on hand had made possible uninterrupted production

BOARD'S REPORT (Continued)

and completion of inspection cum testing without undue delays. Performance could have been better but for the sporadic lock-down in many of the cities during Q1.

NICKEL CADMIUM BATTERIES

During the year, the turnover of Nickel Cadmium Division was ₹ 496.51 lakhs, as against ₹ 204.26 lakhs during the previous year. Placement of orders by Air(HQ) for Nickel Cadmium Batteries is based on military urgency versus stock position on hand.

LEAD ACID BATTERIES (LAB)

As reported earlier, Lead Acid Battery division operations have been suspended temporarily since April, 2019 due to extensive competition in the market resulting in non-remunerative prices. Efforts were put in, for revival of the Plant keeping in mind the sustainability of the operations. None of the actions proceeded could materialise during FY 2021-2022, due to demand for quantity off-take versus pricing which was not remunerative. However, our efforts are continuing towards revival of Plant operations.

EXPORTS

During the year, the export turnover was ₹ 185.69 lakhs as compared to ₹ 32.36 lakhs last year. Our efforts to clinch export orders were not successful, as a result of Covid after-effect situation prevailing all over the world. One of our Overseas Defence customers, could only lift batteries of initial sample order for their evaluation at sea. Their user trials could not be carried out due to Covid Impact and consequently order for supply in bulk did not materialise. All efforts are being made to secure export orders by strengthening our export team and also reaching out to more newer territories abroad.

PERSISTANT COVID -19 – IMPACT

Owing to Covid pandemic and the consequent impact due to lock down during first quarter, the Company had to face difficulties of supply chain disruptions that prevailed both globally and within India. Inconsistent arrival of imported materials from overseas suppliers, continues till date resulting in loss of production or withholding of planned dispatches, affecting the turnover as well as profit and further leading to Working Capital Constraints.

On resumption of normalcy to a reasonable extent, from the Second Quarter of FY 2021-2022, the Company could accomplish the highest turnover so far.

FINANCE

Current Year the Company's Financial position is reasonably well placed at a comfort level, owing to our improved operations, supplemented by the support of our bankers, in terms of working capital enhancement and reduction in interest rates. The Company was also able to clear all inter corporate loans during the year. During Q4, Punjab National Bank was inducted as part of our consortium in place of Indian Bank and Canara Bank.

ISO 9001 / ISO 14001 ACCREDITATION

Our Quality Management Systems (QMS) ISO 9001:2015 and Environmental Management Systems (EMS) ISO 14001:2015, continue to be accredited for both Aerospace, Naval Battery Division and Lead Acid Battery Divisions.

OHSAS 45001 CERTIFICATION

During the year the Company secured re-certification of ISO 45001: 2018 certification pertaining to Occupational Health and Safety (OHSAS) Management System for Aerospace, Naval Battery Division and Lead Acid Battery Divisions.

BOARD'S REPORT (Continued)

RESEARCH AND DEVELOPMENT

Underwater propulsion Battery

- During FY 2021-2022, our R & D received orders from DOI (Navy) for the development cum supply of two distinct types of high power, high energy Silver Zinc Battery for underwater propulsion. The contract is for a period of two years and is a challenging one in terms of application – specific technical performance, and we do possess the needed resource to complete the programme satisfactorily, on time.

Vanadium based flow battery

- The development of 1kW / 10kWh Vanadium based Flow Battery (VRFB) for OECT, progressed in co-ordination with IIT, Chennai was demonstrated satisfactorily and the project was completed during FY 2021-2022, meeting the technical cum contractual requirements. Further, discussions are in progress with OECT and other funding agencies, to go for scaling upto 5kW level.

Lithium Battery

- An R & D programme for Lithium Battery pack assembly is established at Laboratory scale, with the needed equipment and test facility. In view of the safety and allied issues associated with Lithium Battery, work on our 2nd life program is continuing at a slow pace.

SIDM Championship Award

Our Honbl'e Raksha Mantri Sri Rajnath Singh awarded the Society of Indian Defence Manufacturers (SIDM) Champion Award to our Company on 28.09.2021 at New Delhi, for our

efforts on Import substitution, Battery for BrahMos Missile.

DEPOSITORY SYSTEM

As on March 31, 2022, Shares of 8045 Shareholders out of 8213 shareholders are held in Demat form and 1765392 shares were dematerialised, representing 97.95% of the total Equity Share Capital.

CURRENT YEAR (2022- 23)

With the orders on hand and the orders in pipeline which are at an advanced stage of release, the Company expects to make good performance. During current year, development of two major batteries for Indian Navy will be pursued, which will get into production mode in the next two year period.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A detailed discussion on the industry structure as well as on the financial and operational performance is contained in the 'Management Discussion and Analysis Report' that forms an integral part of this Report - **Annexure-1**.

CORPORATE GOVERNANCE

Pursuant to Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, Corporate Governance Report together with the certificate from the Company's auditors confirming the compliance of conditions on Corporate Governance is given in **Annexure-2**. The Corporate Governance Report also includes contents and disclosures required under Section 134(3) of the Companies Act, 2013 at relevant places that forms an integral part of this report.

BOARD'S REPORT (Continued)

EXTRACT OF ANNUAL RETURN

Details forming part of the extract of the Annual Return in Form MGT-9 is given in **Annexure - 3**.

A copy of annual return for FY 2021 - 2022 will be placed on the website of the company www.highenergy.co.in after conclusion of the 61st AGM.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(3)(c) of the Companies Act, 2013 with respect to the Directors' Responsibility Statement, your Board confirms that:

- (a) in the preparation of the annual accounts, the applicable Accounting Standards have been followed.
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records, in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- (d) the Directors have prepared the annual accounts on a 'going concern' basis.
- (e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively.

- (f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

The Company did not give any loan or provided any Security or Guarantee or make investment, covered under Section 186 of the Companies Act, 2013, during the year.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTY

Since the Company remains outside the purview of Section 188(1) read with Rule 15 of Companies (Meeting of Board and its Power) Rules, 2014, the reporting requirements thereunder are not applicable.

MATERIAL CHANGES AND COMMITMENTS

There was no change in the nature of business of the Company during the year.

There are no material changes and commitments in the business operations of the Company since the close of the financial year as on 31st March 2022 to the date of this Report.

CONSERVATION OF ENERGY

Information relating to Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo, as required under Section 134(3)(m) of the Companies Act, 2013, read with Rule 8 (3) of the Companies (Accounts) Rules, 2014 is given in **Annexure - 4**.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

BOARD'S REPORT (Continued)

PARTICULARS OF EMPLOYEES

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is furnished in **Annexure – 6**.

CLASSIFICATION OF MICRO, SMALL AND MEDIUM ENTERPRISES (MSME)

The Company comes under MSME classification, since 1st July 2020 as Small Enterprises (UDYAM -TN-02-0000445). Further the Company, avails/utilises the benefits arising out of this reclassification including GOI / MOD contracts and Bank operations.

ADEQUACY OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

- (i) The Company has laid down adequate systems and well-drawn procedures for ensuring internal financial controls. It has appointed an external audit firm as Internal Auditors for periodically checking and monitoring the internal control measures.
- (ii) Internal Auditors are present at the Audit Committee meetings where internal audit reports are discussed alongside of management comments and the final observations of the Internal Auditor. Periodical compliance report, on the observation points considered or implemented, is issued by the Internal Auditors.
- (iii) The Board of Directors have put in place budgetary control and monitoring measures for ensuring the orderly and efficient conduct of the business of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness

of the accounting records and the timely preparation of reliable financial information.

INDIAN ACCOUNTING STANDARDS (IndAS)

The Financial Statements of the current year are prepared under IndAS which was adopted since Financial Year 2017–18.

CASH FLOW STATEMENT

As required under Regulation 53 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Cash Flow Statement is attached to the Balance Sheet.

INDUSTRIAL RELATIONS

Relations between the Management and Employees were cordial throughout the year under review. The Management ensured that all necessary steps were taken to follow the guidelines / norms mandated by the Government to prevent the spreading of Covid pandemic.

DIRECTORS

In accordance with Article 106 of the Articles of Association of the Company, Mr N Gopalaratnam (DIN:00001945), Non Executive, Non Independent Director, retires by rotation at this meeting and being eligible offers himself for reappointment.

Necessary resolution is placed before the members for their approval.

On the recommendation of the Nomination and Remuneration Committee, the Board of Directors at their meeting held on 26th March 2022, have reappointed Mr M Ignatius as Director (Operations) of the Company for a further period of three years with effect from 1st April 2022 to 31st March 2025, liable to retire by rotation.

Necessary resolution is placed before the members for their approval.

On 07.05.2022, the Board in its meeting accepted the resignation of Mrs Jayashree Ajit Shankar (DIN: 08397093) Nominee Director, LIC, from

BOARD'S REPORT (Continued)

the Board of the Company. The Board wishes to place on record its appreciation for her involved participation in the deliberations at the Board meetings, during her tenure.

Life Insurance Corporation of India (LIC) has nominated Mr H Nanda as Nominee Director of LIC on the Board of the Company in place of Mrs Jayashree Ajit Shankar.

The Board in its meeting held on 07.05.2022 inducted Mr H Nanda (DIN: 09595835) as Nominee Director, LIC.

AUDITORS

The first term of five years for M/s Maharaj N R Suresh and Co, as Statutory Auditor ends on the conclusion of 61st AGM. Your Board of Directors on the recommendation of Audit Committee has proposed the appointment of M/s Maharaj N R Suresh and Co LLP (Firm Reg.No.001931S/S000020) as Statutory Auditors of the Company for a second term of five years to hold office from the conclusion of this Annual General Meeting till the conclusion of the 66th General Meeting of the Company.

Necessary resolution is placed before the Members for their approval.

Particulars of Statutory Auditors, Internal auditor and the Secretarial Auditor are given in the Corporate Governance Report that forms an integral part of this Report. Secretarial Audit Report, as required by Section 204(1) of the Companies Act, 2013, is attached as **Annexure - 7**.

ACKNOWLEDGEMENT

Your Directors wish to express their sincere thanks to:

- (i) all the valued customers viz., Defence Services, VSSC, NSTL, RCI, ASL, DRDO Laboratories and Ministry of Defence (MOD),

BDL, BrahMos (BAPL), BEL,HAL, ADE, ADA and other defence based organizations such as DGONA, CVRDE, MGO, Air(HQ), HQMC for the whole-hearted support and encouragement, towards indigenous sourcing of Batteries for strategic applications.

- (ii) all our valued Govt Statutory Bodies like IOF, PCB, inspection cum certifying agencies such as CEMILAC, DGAQA, DGNAI,MSQAA,SSQAG,R&QA for their timely and meticulous adherence of Quality Assurance / Product acceptance procedures.
- (iii) Educational Institutions viz., NIT(T), IIT, etc for their co-operation to our R & D progress. OECT, part of ONGC for initiating a program on Flow Battery (VRFB), through IIT, Chennai. Research Institutions like CECRI, for involving in our Indigenisation efforts.
- (iv) the Overseas customers, who have reposed utmost faith and confidence in our products;
- (v) the Consortium of Bankers viz., UCO Bank and Punjab National Bank (as of now) and UCO, Indian Bank and Canara Bank as consortium members in the past till Q3, for extending financial support for the continued positive performance of the Company;
- (vi) the Employees at all levels of the company for their co-operation and the sincere efforts put in towards improved performance.
- (vii) to all suppliers, vendors ,service providers, sub -contractors and Shareholders for their continued trust and support.

ANNEXURE - 1 TO BOARD'S REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

COMPANY STRUCTURE AND DEVELOPMENTS

High Energy Batteries (India) Limited was established in the year 1979 for manufacture of Silver Oxide Zinc batteries for MIG Aircraft starting and emergency application with the technical collaboration of M/s. Yardney Electric Corporation, USA.

HEB Aircraft battery was type tested and approved for bulk manufacture in the year 1981. Over the years, design features and product range for all the three services have been constantly upgraded to suit Indian conditions and improvements in life achieved through in-house R&D.

Silver Zinc Batteries, Nickel Cadmium Batteries and Silver Chloride Magnesium batteries designed, developed and manufactured by HEB are power sources intended for high rate critical applications. These batteries are very strategic in nature and custom-designed for use in aviation, torpedo propulsion, launch vehicles etc. The demand for our batteries is not regular in nature by volume, as the ordering schedule is cyclic.

The principal customers of the Company are the Department of Defence Supplies and ISRO and therefore the Company is subject to certain provisions of the Official Secrets Act, 1923. The Company also requires prior permission from Ministry of Defence for export to other countries.

The defence applications require high reliability products and upgradation of technology to meet the global challenges. DRDOs and Defence establishments have opportunities for technology driven applications and this acts as a catalyst for the growth of our Company. The procurement policy currently pursued by the Government with thrust on Indigenisation and "Atmanirbhar" in

defence procurement encourages the domestic manufacturing sector and it augurs well for our Company, to perform better.

HEB is a manufacturer of hi-tech batteries for use of Army, Navy, Air force and launch vehicles. The Company has a strong base of in-house R&D to design, develop and establish the manufacture of, silver zinc, nickel cadmium and silver chloride magnesium for stringent applications such as under water propulsion, control guidance, communication, emergency starting and for aerospace applications. The Company can undertake any development activity and establish the technology for the manufacture of electrochemical system for use in many critical applications.

The back – up power requirement is rapidly growing in Defence with the induction of advanced machinery/ weaponry. The Company received a number of awards for establishment of technology and Indigenisation.

Supplementing the existing potential, the Energy sector at large, needs Energy Storage systems (ESS) like Flow Battery (FB) commensurate with Power Generation units like Fuel Cells (FC). In turn, the resultant thrust on Green Energy cum Hydrogen Economy (Indian mission towards e-mobility), provides all its impetus for the growth prospects of our Company, to a great extent.

OPPORTUNITIES AND THREATS

Opportunities

- A major player in silver zinc battery for defence
- In-house capability for technology development
- Part of established business group
- Dedicated talented pool of human resource with scientific and engineering background

ANNEXURE - 1 TO BOARD'S REPORT

- Availability of dedicated Production cum Testing facility for the Manufacture of High Power Batteries for Strategic Defence Applications
- Growing market potential with enhanced Defence outlay
- Huge capital expenditure planned by the Government of India for Batteries and Energy Storage Systems (ESS), in the Energy sector
- High growth potential projected for EV, e-mobility and clean energy.

Threats

- Price rise in the input materials
- Import restriction and/or delays in receipt of critical materials/ components
- Change in Government policy of procurement, especially by Defence Departments
- Adverse change in the global scenario, with introduction of advanced/ disruptive systems.
- Need for HEB to get trained in the upcoming technologies and upgradation of production methods and equipment needed to tackle the changes.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

HEB's revenue grew at a CAGR of 28% over FY 2016-2021, backed by the Government's thrust on the defence sector as well as its focus on awarding orders to indigenous players. In FY 2021, the revenue grew by 26.6% Year on Year basis to ₹ 77.8 crores primarily due to the increased orders from Navy as well as a major order to develop high power battery for futuristic torpedo program. Showing an upward trend, the corresponding figures for FY 2021-2022 are 2.30% and ₹ 79.60

crores. The Company has a confirmed order book of around ₹ 80 crores, as of March / April 2022, to be executed over the next 18-24 months period, providing adequate revenue visibility.

The Company supplies silver- zinc batteries to several defence establishments including Navy, Army, Airforce and space research organizations. With limited competition in the Aerospace and Naval segment, HEB derives around 60% revenues from Navy & Naval Research Labs. Typical break – up of orders from different customer base indicates:

Customer	%
Navy & Naval Research Labs	60
DRDO Labs.	10
Defence Public Sector	15
Aerospace & Others	15
	100

HEB's EBITDA margins have improved substantially to 133 % over the last five years, from 13.7 % during FY 2017, as a result of change in the product mix, better absorption of fixed costs and improved Banking operations. The EBITDA margins might sustain at 25% to 30% over FY 2022-2023 as well, with due consideration of the possible, uncertainties arising out of the flow of development orders, exposure to raw material price fluctuations and inconsistent import delivery commitments by approved sources abroad. Fluctuation in silver price volatility is monitored and addressed well in all our contracts. The Company strives its best to maintain a sustainable EBITDA margin of around 25%.

OUTLOOK

Since inception, HEB had concentrated on specialized batteries for the Defence application and those used in aerospace, railways, Army and Navy. The Company had so far developed and

ANNEXURE - 1 TO BOARD'S REPORT

supplied batteries for various strategic applications and credited with several National awards, especially towards R&D and Indigenisation. However, the procurement cycle of Indian Defence is of the order of four to five years. While some flexibility was available in product pricing in the earlier years, competitive pricing requirement impacts the operating margins severely. Export potential for the present range of our products on a continuous basis, appears limited in view of obsolescence and shift in Defence Policies.

The company is currently working on to expand its product range to include Fuel cells and Flow Battery which will be used in Energy and EV applications, for which market offers tremendous opportunities. The Company will be focusing more on value added products including Battery/ Power Pack System Integration which would help the Company occupy a strong position, both in the Indian and export markets.

RISK AND CONCERNS

HEB has a long working capital cycle, primarily due to the higher levels of inventory that need to be maintained mainly for silver zinc and other battery accessories, towards replacement on priority, in case defence based service need arises.

The Company's Major revenue is from defence sector and is dependent on Defence priorities and budget allocation. Recent thrust for indigenization and Atmanirbhar , provides a positive outlook, though there is risk that our product range falls under a niche category, catering to Strategic Defence requirements.

The export market though limited, the Company keeps exploring the markets and effects supplies, for countries like Malaysia, Algeria, Italy and Kyrgyzstan. The procurement procedure is more

or less similar to that of our Government Defence agencies and here again the risk of budget allocation for Defence and the consequent review of ordering cycle exists. The Company has also appointed Authorised Agents on selective basis to cater to export market.

HEB's major raw materials include Silver, Zinc and Copper, the prices of which are highly volatile due to external market factors. Any adverse increase in the raw material prices could lead to a compression of margins. Price volatility in silver price gets covered by the customers on a timely basis, under a price variation clause, thus exposing the Company only to minimal impact of price fluctuations arising out of non-silver materials like Copper and Zinc. Around 10% of the total raw materials consumed are imported, liable to certain forex risks variation, and/ or Government restrictions.

INTERNAL CONTROL SYSTEMS

The Company has proper and effective internal control systems commensurate with its nature of business and size of operations to ensure that all controls and procedures function satisfactorily at all times and all policies are duly complied with as required. These are considered adequate to reasonably safeguard its assets against loss or misappropriation through unauthorized or unintended use.

There is adequate and effective internal audit system that employs periodic checks as on-going process. The Audit Committee of the Board of Directors regularly reviews the effectiveness of internal control system in order to ensure due and proper implementation and due compliance with applicable laws, accounting standards and regulatory guidelines.

ANNEXURE - 1 TO BOARD'S REPORT

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Particulars	FY 2021 – 2022 (in Ampere hours)	FY 2020 – 2021 (in Ampere hours)

ANNEXURE - 2 TO BOARD'S REPORT

REPORT ON CORPORATE GOVERNANCE

Applicability of Code of Corporate Governance

The Company belongs to Esvin Group, is professionally managed and is deeply committed to the core values of Corporate Governance concepts. Corporate Governance includes, among other things, compliance with various legal requirements, inculcating a sense of integrity and responsibility in all aspects, not only among the members of the Board of Directors, but amongst the people at all levels of the organization. Only such a culture which results from voluntary compliance at all levels and amongst all ranks of employees, that is built, practised and sustained over a period of time, can result in compliance that is true to the spirit of law, and not just its letter.

Furthermore, such a corporate governance culture will help in constantly reminding the management that they are, but only, trustees of shareholders' capital. Like in any other aspect in the company form of business, the Board is the core of the Corporate Governance philosophy, endowed with the responsibility to ensure that the management serves and protects the best and long term interests of all its stakeholders.

Board of Directors

- a) The composition of the Board is devised in a manner to have optimal blend of expertise drawn from industry, Management and Finance.
- b) The Board comprises of Non - Executive, Executive and Independent Directors. The Board consists of 9 Directors comprising of one Non-Executive, Non independent Chairman, two Executive Directors, five Independent Directors including a Woman Director and one Nominee Director as on 31st March 2022. No Director holds membership of more than 10 Committees of Board nor is Chairman of more than 5 such Committees.
- c) The Managing Director is not liable to retire by rotation. All the other non-independent Directors are liable to retire by rotation and in the normal course seek re-appointment at the AGM. Brief resume of Directors seeking reappointment is given in the Notice of the AGM.
- d) The ceiling for being Chairman / Director / Committee member of Board of Companies stipulated under the Act or Listing Regulations are complied with, by all Directors of the Company.
- e) No Director is relative of any other Director.
- f) The age of every Director, including independent Director, is above 21 years. Shareholder approval by special resolution is obtained for appointing or continuing the directorship of non-executive directors beyond 75 years of age.

The Board is satisfied that its directors together possess requisite skill sets for the effective functioning of the Company.

ANNEXURE - 2 TO BOARD'S REPORT

Core Skill set, Expertise and Competence of Board of Directors

Our Company constitutes professionals of eminence with decades of hands on experience in various fields as Directors, encompassing:

- Technology Development cum Project Management
- Quality Standards (QR) of Advanced Strategic Defence Systems
- Fundamental Research to Product Development

- Design concept to Production Engineering of various Electrochemical Systems – Batteries, Fuel Cells and Flow Batteries
 - Finance, Insurance and Auditing Standards
 - Legal cum Government Regulatory norms,
- Under the aegis of our Chairman, who is an accomplished industry leader with rich experience in technology and overall management.

DIRECTORS PROFILE

Sl.No.	Name of Director	Skill set, expertise and competence
1	Mr N Gopalaratnam	A technocrat with rich and varied experience in project and operational management.
2	Dr G A Pathanjali	He has a Doctorate in Electrochemistry from Indian Institute of Technology (IIT), Mumbai with four decades of hands- on experience in the Company. He has wide experience in design cum development activities involving Silver Zinc, Nickel Cadmium and batteries project management. He is also a member in many committees of Energy and Power sector constituted by the Government of India.
3	Mr M Ignatius	He is an engineer having four decades of experience in the Company involving design and development of high tech batteries and has coordinated with the Navy, Indian Air Force and Defence Research and Development Organisation (DRDO).
4	Mr A L Somayaji	He is a Senior Advocate and the former Advocate General of Tamil Nadu. He is an advisor for all legal and commercial matters of the Company.
5	Commodore R P Prem Kumar	He has three decades of experience in inspection and quality assurance of Naval weapons. He has coordinated in several classified projects and R&D Programmes. He is the recipient of Vishist Seva Medal (VSM).
6	Mr M Natarajan	He is the retired Director General of DRDO and held the position of Scientific Advisor to the Defence Minister. He was involved in developing the state of art Main Battle Tank Arjun. He was conferred with Padma Shri Award by the Government of India and is also the recipient of C. V. Raman Birth Centenary Award.

ANNEXURE - 2 TO BOARD'S REPORT

7	Mrs Lalitha Lakshmanan	She is the retired Chief General Manager of Canara Bank and has rich experience in Banking, Finance and Management matters.
8	Dr Vijayamohan K Pillai	He is a leading Electrochemist in India. He has worked in several areas of electrochemical power sources and holds 27 patents in both Electrochemistry and Materials Chemistry. He served as an Outstanding Scientist at CSIR – Central Electrochemical Research Institute, Karaikudi, Tamil Nadu. Currently, he is serving as Professor/ Chair in Indian Institute of Science Education and Research (IISER), Tirupati
9	Mrs Jayashree Ajit Shankar	She is the Nominee of Life Insurance Corporation of India (LIC) and has three decades of experience in insurance sector.

Independent Directors

- The Chairman is non-executive and falls under Promoter category. The number of Independent Directors is one-half of the total strength. Any reduction in the strength of Independent Directors is filled within 3 months for ensuring minimum stipulated strength of Independent Directors in the Board.
- The company has five Independent directors out of which 3 Independent Directors have been reappointed for a second term by way of special resolution through Postal Ballot obtained on 22.03.2019 as under

Sl No	Name	DIN	Re-appointment tenure	
			From	To
1	Mr. A L Somayaji	00049772	01.04.2019	31.03.2024
2	Cmde. R P Prem Kumar	00049513	01.04.2019	31.03.2024
3	Mr. M Natarajan	06954693	01.04.2019	31.03.2024

Further approval was also obtained by way of Special Resolution stated above in the case of Mr A L Somayaji and Cmde R P Prem Kumar who have crossed or would be crossing 75 years of age during the tenure.

Mrs Lalitha Lakshmanan (DIN: 07140032) was reappointed as Independent Director of the Company for a second term of five consecutive years w.e.f 01.04.2021 to 31.03.2026, by way of Special Resolution passed at the AGM held on 07.08.2021.

Dr Vijayamohan K Pillai (DIN: 07308120) was appointed as an Independent Director of the

Company for a fixed term of five consecutive years w.e.f 03.08.2019 by way of Special Resolution passed at the AGM held on 03.08.2019.

- Independent directors are issued Letter of reappointment with their consent and the terms thereof are posted on the company website.
- The company had formulated a familiarization programme for Independent Directors with the objective of making them familiar with their role, responsibilities, nature of the industry, business model and compliance management.

ANNEXURE - 2 TO BOARD'S REPORT

- e) The Independent directors have renewed their registration in the databank maintained by Indian Institute of Corporate Affairs (IICA). All the independent directors are exempted from undertaking the online proficiency test conducted by IICA.
- f) All the Independent directors have given the declaration affirming that they meet the criteria of independence as provided in Section 146 (6) of the Act and have complied with relevant provisions of Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.
- g) In the opinion of the Board, (i) all the Independent Directors fulfill the conditions for being appointed as Independent Director as specified in the Act and Listing Regulations (ii) they possess the integrity and expertise and have the experience required for their role as independent director of the company, (iii) the Board has taken note that all the independent directors have been issued the exemption certificate by IICA from passing the online proficiency test.
- h) No Independent Director had resigned from the directorship of the company before the expiry of the term of appointment during the financial year ended 31st March 2022.
- i) The company has proactively taken Directors and Officers insurance, covering both independent and non-independent directors for such sum and risks as determined necessary and expedient by the Board.
- j) The Independent Directors met on 26.03.2022 in the financial year 2021-2022 and assessed the performance of the Company and other directors and advised the board accordingly.

Board Process

- a) The Board meeting dates for the entire financial year are tentatively fixed before start of the year. An annual calendar of Board / Committee meetings is circulated to facilitate Directors plan their schedules for attending the meetings.

Notice for the Board meeting is issued normally 2 weeks in advance. Detailed Agenda papers are circulated one week in advance.

- b) Board meetings are governed by structured Agenda containing comprehensive information and extensive details that is circulated at least one week in advance. Urgent issues and procedural matters are at times tabled at the meeting with prior approval of Chairman and consent of all present. Powerpoint presentation is made to facilitate pointed attention and purposive deliberations at the meetings.
- c) The governance process includes an effective post – meeting follow – up, review of ATR (Action Taken Report) and reporting process for decisions taken pending approval of Board.

Board Meetings

During the year 2021-22, five (5) Board Meetings were held on 31.05.2021, 06.08.2021, 30.10.2021, 05.02.2022 and 26.03.2022. Out of which four meetings held on 31.05.2021, 06.08.2021, 30.10.2021 and 05.02.2022 were conducted through Video Conference (VC) duly complying with Rule 3 of the Companies (Meeting of Board and its Powers) Rule, 2014, having regard to the Covid-19 pandemic and consequent social distancing norms and one meeting held on 26.03.2022 was conducted as Physical meeting.

ANNEXURE - 2 TO BOARD'S REPORT

Audit Committee Meetings

The Audit Committee comprises of four Independent Directors. The Chairman of the Committee is a Non Executive Independent Director. The Committee is entrusted with the responsibility of supervising the Company's internal controls and financial reporting process. The Committee met 4 times during the year on 31.05.2021, 06.08.2021, 30.10.2021 and 05.02.2022 through Video Conference (VC) duly complying with Rule 3 of the Companies (Meeting of Board and its Powers) Rules, 2014. Details of its composition and attendance are given hereunder: -

Name of Member	Status	Attendance at Meetings	
		No.	%
Mr. A L Somayaji	Chairman	4	100

First Circular resolution was passed on 04.10.2021 for transmission of 900 Shares (bearing Folio No.002461) in the name of Mr Narain Parkash Singh on the demise of the Joint Holder Mrs Avtar Kaur and the second Circular resolution was passed on 13.12.2021 for Transmission of 100 shares (bearing Folio No.00003138) in the name of Mr Mihir Dinesh Shah on the demise of the Joint Holder Mr Dinesh Mohanlal Shah.

Governance Process & Policies

(i) Policy on Director's Appointment & Remuneration

The Board on the recommendations of the Nomination and Remuneration Committee

meeting held on 26th March 2015 had approved a Nomination and Remuneration Policy. It inter alia deals with the manner of selection of Board of Directors, Managing Director and fixing their remuneration. This policy is framed as per Section 178(3) of the Companies Act, 2013.

1. Criteria for selection of Non Executive Directors

- (a) The Committee will identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as director.
- (b) Directors would be chosen from diverse fields of expertise drawn from industry, management, finance and other disciplines.
- (c) In case of appointment of independent directors, the Committee will satisfy itself with regard to the independent nature of the directors vis-à-vis the company conforming in entirety to the conditions specified under Section 149 of the Companies Act, 2013 read with Schedule IV thereto and the Rules made thereunder and the Listing Agreement.
- (d) The Committee will ensure that the candidate identified for appointment as a director is not disqualified in any manner under Section 164 of the Companies Act, 2013.
- (e) In the case of reappointment of non-independent directors, the Board will take into consideration the performance evaluation of the director and his engagement level.

2. Remuneration Policy

The remuneration policy aims at attracting and retaining suitable talent and devising a

ANNEXURE - 2 TO BOARD'S REPORT

remuneration package commensurate with competition, size of the company, its nature of business and considered appropriate to the respective role and responsibilities.

The remuneration policy seeks to ensure that performance is recognized and achievements are rewarded. Remuneration package is transparent, fair and simple to administer, besides being legal and tax compliant.

The policy has been uploaded in the Company's website.

3. Remuneration of Directors & Key Managerial Personnel (KMP)

The Nomination and Remuneration Committee recommends the remuneration of directors and KMP which is approved by the Board of Directors and wherever necessary further approved by the shareholders through ordinary or special resolution, as applicable.

Managing Director and Director (Operations) are the Executive Directors entitled for managerial remuneration.

On the recommendation of the Nomination and Remuneration Committee, the Board in its Meeting held on 07.05.2022 approved a commission of ₹ 36 lakhs to be paid to Managing Director for the year 2021 - 2022, in addition to the salary and perquisites due to inadequacy of profits. This is in compliance, as per the resolution approved by the members at the Annual General Meeting held on 29.08.2020.

Based on the recommendation of the Nomination and Remuneration Committee,

the Board in its Meeting held on 07.05.2022 approved the payment of a special allowance of ₹ 21 lakhs to Director (Operations) for the year 2021-2022, in addition to the salary and perquisites due to inadequacy of profits. This is in compliance, as per the resolution approved by members at the AGM held on 03.08.2019.

Mr S.V. Raju, Company Secretary (CS) and Mr R Swaminathan, Chief Financial Officer (CFO) are the other Key Managerial Personnel.

The Board in its Meeting held on 07.05.2022, on the basis of recommendation of the Nomination and Remuneration committee approved the payment of incentive of ₹ 13 lakhs to CFO and ₹ 6.5 lakhs to the CS for the FY 2021-2022.

No Director or his relative holds an office or place of profit in the Company. Other than direct or indirect equity holding and sitting fee, there is no pecuniary relationship or transaction between the company and its non-executive directors. No Stock option has been issued by the company to executive directors.

Remuneration particulars of the directors and Key Managerial Personnel are given in Note No.38 of the financial statements.

4. Remuneration of Directors

Non-Executive Directors are paid a sitting fee of ₹ 15000/- per meeting of Board and Committee Meetings. The details of remuneration paid to Non-Executive Directors during the year by way of sitting fee for attending the Board / Committee Meetings are as under: -

ANNEXURE - 2 TO BOARD'S REPORT

(in ₹)

Grand Total			2330000

* Stakeholders Relationship Committee, Audit Committee and Nomination and Remuneration Committee.

(ii) Performance Evaluation

The Board of Directors in March 2015 on the recommendations of the Nomination and Remuneration Committee approved the Board evaluation framework.

Further, the Board of Directors in the meeting held on 26.03.2022 carried out the evaluation process on the recommendation of Nomination and Remuneration Committee. It had laid down specific criteria for performance evaluation covering:

- Subject of Evaluation
- Evaluation of Board process
- Frequency of Board Evaluation
- Responsibility of Board Evaluation
- Review of Board Evaluation
- Evaluation of Committees

- Individual Evaluation of Board members and the Chair person
- Individual Evaluation of Independent Directors

The Board Evaluation is internally done on an annual basis. Templates incorporating specific attributes are used. Commonly agreed comments and remarks are recorded against each attribute.

The Nomination and Remuneration Committee during the year evaluated the performance of all directors at its meeting held on 26.03.2022.

The director whose performance is being evaluated did not participate during that part of the meeting. The Committee had expressed overall satisfaction on such evaluation.

The Board at its meeting held on 26.03.2022 evaluated the performance of each of the Independent Directors (excluding the Independent Director being evaluated) and recorded its overall satisfaction and decided in terms of Para VIII (2) of Schedule IV to the Act that all the Independent Directors be continued in their respective offices.

Further the Board evaluated the functioning of each of the 2 Committees and evaluated its own performance on the basis of the criteria approved by the Nomination and Remuneration Committee.

There was no specific observation made during Board evaluation.

The Independent Directors in their exclusive meeting on 26.03.2022 did the evaluation on the performance of Chairperson, Managing Director, non-independent directors and the Board as a whole and expressed overall satisfaction. All the independent directors were present during the meeting.

ANNEXURE - 2 TO BOARD'S REPORT

(iii) Insider Trading

In deference to SEBI (Prohibition of Insider Trading) Regulations, 2015, the Board reformulated the:

- i. Code of Practices and Procedures for fair disclosure of Unpublished Price Sensitive Information (Reg 8); and
- ii. Minimum Standards for Code of Conduct to regulate, Monitor and report Trading by Insiders (Reg 9).

These have been intimated to the Stock Exchange and uploaded in the company's website.

These codes apply to all directors and designated persons. It is hereby affirmed that all directors and designated persons have complied with the codes as applicable during FY 2021 - 2022 and a confirmation to this effect was obtained from each of them.

The trading window shall remain closed during the period when designated persons in terms of the Regulations can reasonably be expected to have possession of unpublished price sensitive information. In any event, the trading window shall remain closed from the end of every quarter till 48 hours after declaration of financial results. Intimation of this was given to stock exchange.

The company is maintaining a structured digital database containing the details of persons/ entities with whom unpublished price sensitive information is shared. This database is maintained with adequate controls and checks such as time stamping and audit trails to ensure that the database cannot be tampered.

(iv) Code of Conduct

The Board had formulated a Code of Conduct for Directors and Key Managerial Personnel of the Company which is posted

on its website. All the Directors and Key Management Personnel had complied with the Code and a confirmation to this effect was obtained from them individually for FY 2021-2022.

Further, the Key Managerial personnel have declared to the Board that no material, financial or commercial transactions were entered into by them during FY 2021-2022, where they have personal interest that may have a potential conflict with the interest of the Company at large.

Declaration signed by Managing Director affirming the above is attached (*Appendix-1*).

(v) Related Party Transactions

The Board had formulated the policy on Related Party Transactions (RPTs). It further fixed the materiality threshold under this policy at 10% of its turnover as per the last audited financial statements. Transactions with a related party individually or taken together in a financial year crossing this 10% threshold would be considered material.

This policy was uploaded on the company's website.

(vi) Risk Management

The company has a robust risk management framework to identify and evaluate business risks and opportunities. It seeks to create transparency, minimize adverse impact on the business objective and enhance the company's competitive advantage. It aims at ensuring that the executive management, controls the risk through a properly defined framework.

The company has laid down appropriate procedures to inform the Board about the risk assessment and minimization procedures. The Board periodically revisits and reviews the overall risk management

ANNEXURE - 2 TO BOARD'S REPORT

plan for making desired changes in response to the dynamics of the business. The company is not currently required to constitute a Risk Management Committee.

(vii) Whistle Blower Policy

In deference to Section 177 (9) of the Act read with relevant Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014, the Company has established a vigil mechanism overseen by the Audit Committee. This policy has been uploaded on the Company's website.

No complaint under this facility was received in FY 2021-2022.

(viii) Policy for Prevention of Sexual Harassment at Workplace

The company has in place a Policy for Prevention of Sexual Harassment at Workplace in line with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Internal Complaints Committee has been set up to redress complaints received on sexual harassment. All employees (permanent, contractual, temporary, trainees) are covered under this policy. This policy has been uploaded on the Company's website.

No complaint on sexual harassment was received during FY 2021-2022.

(ix) Document preservation

Pursuant to Regulation 9 of the listing Regulations, the company has formed a policy for preservation of records, in conformity with applicable laws. This policy covers all corporate records of the company whether in paper or digital form and applies to all departments and business functions

of the company. This policy has been uploaded on the Company's website.

Other Compliances

Management Discussion and Analysis

Management Discussion and Analysis Report is made in conformity with Regulation 34(2) (e) of the Listing Regulations and is attached to the Board's Report forming part of the Annual Report of the Company.

Quarterly Financial Results

Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Quarterly Financial Results are approved by the Board on the recommendations of the Audit Committee. These are filed with Bombay Stock Exchange (BSE) through online, after the conclusion of the Board Meeting and the abstract of the results are published in leading dailies, as required, within the stipulated time. These are also posted immediately on the company's website www.highenergy.co.in.

Quarterly Compliance Report

The Company had submitted for each of the four quarters during FY 2021-2022, the Compliance Report on Corporate Governance to Stock Exchange, within the time limit stipulated, from the close of each quarter.

Accounting Treatment

In the preparation of Financial Statements, no accounting treatment different from that prescribed in any Accounting Standard has been followed.

Cost Audit

Since the Company does not come under the threshold limit as specified, under Companies (Cost Records and Audit) Rules, 2014, Cost Audit is not applicable.

ANNEXURE - 2 TO BOARD'S REPORT

Tax on dividend

Dividend income is taxable in the hands of shareholders w.e.f. 1st April 2020 and the Company is required to deduct tax at source

(TDS) for the same at the prescribed rates. The Company has already sent an email on 31.05.2022 to the shareholders advising TDS rates in force for different categories based on documents furnished by shareholders.

The Dividend for the FY 2021-22 will be paid after deducting the tax at source as follows:

A) For Resident Shareholders:

No tax would be deducted on payment of dividend to resident individual shareholder, if total dividend to be paid for FY 2021 - 22 does not exceed ₹ 5000/-.

The applicable tax rate for resident individual shareholder with PAN is 10%.

In case PAN is not registered/ not provided / not available, TDS would be at a higher rate of 20%.

A resident individual shareholder with PAN who is not liable to pay income tax can submit declaration in Form 15G/15H (as applicable) along with the self- attested copy of PAN (linked to Aadhar), to avail the benefit of non deduction of TDS.

Lower / Nil withholding tax order obtained from tax authority, documentary evidence stating that any of the provision are applicable or covered as per the Act can be submitted to avail the benefit.

B) For Non Resident Shareholders:

The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of dividend payable to them.

Lower/ Nil withholding tax rates shall be considered, on submission of self- attested copy of the certificate issued under Section 195/197 of the Act.

The tax treaty rate shall be applied for tax deduction at source on submission of the following documents:

- i. Self-attested copy of PAN card allotted by the Indian Income tax authorities.

ANNEXURE - 2 TO BOARD'S REPORT

- ii. Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the shareholder is a resident.
- iii. Self declaration in Form 10F.
- iv. Self declaration by shareholder of meeting treaty eligibility requirement and satisfying beneficial ownership requirement.

Shareholders who are exempted from TDS provision through any circular or notification may provide documentary evidence in relation to the same, to enable the Company in applying the appropriate TDS on Dividend payment to such shareholder.

TDS to be deducted at higher rate in case of non-filers of Return of Income.

Shareholders holding shares under multiple accounts under different status / category linked to single PAN may note that higher of the tax as applicable to the status in which shares are held will be considered on their entire holding in different accounts.

Shareholders are requested to inform us well in advance and submit the required documents to our Registrar and Share Transfer Agent, M/s. Cameo Corporate Services Limited before the book closure date ie. Friday, the 17th June, 2022 through email to investor@cameoindia.com.

Form 15G/15H should be scanned and uploaded at its dedicated link of our RTA-<https://investors.cameoindia.com> in order to enable the company to determine and deduct appropriate TDS/withholding tax rate.

Shareholders are requested to complete and/or update their residential status, PAN and other details with (i) their Depository Participants (DPs) in the case of Demat holding; and (ii) with the RTA in the case of Physical holding.

Transfer of shares to IEPF

The Company in terms of section 124(6) of the Act is required to transfer the underlying equity shares where dividend has not been paid or claimed by shareholders for Seven (7) consecutive years to the Investors Education and Protection Fund (IEPF) Suspense Account in accordance with the Investor and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.

Individual communication had been sent to the shareholders whose shares are liable to be transferred to IEPF Suspense Account. Public Notice in respect of the same was published in Business Standard and Makkal Kural as required under the Rules.

Details of shares transferred to IEPF

For FY	2012 -2013
No of Holders	180
No of Shares	35396
Date of transfer to IEPF	25.09.2020
Amount transferred to IEPF	₹ 0.43 lakhs.

Claim from IEPF

Shareholders may however note that both the unclaimed dividend and the shares transferred to IEPF Authority / Demat Account including all benefits accruing on such shares, if any, can be claimed back from IEPF Authority after following the due process prescribed by the Rules. Shareholders may contact the Registrar and Transfer Agent or the Company at its registered office for necessary guidance in this regard.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To the Shareholders of M/s. High Energy Batteries (India) Limited

We have examined the compliance of conditions of Corporate Governance by M/s. High Energy Batteries (India) Limited, for the year ended on March 31, 2022, as stipulated in Regulations 34(3) and Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementations hereof, adopted by the Company for ensuring the compliances of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance, as stipulated in the above mentioned Listing Agreement.

We state that no investor grievance is pending for period exceeding one month against the Company, as per the records maintained by the Shareholders / Investors Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

ANNEXURE - 4 TO BOARD'S REPORT

Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo
[Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014]

A. CONSERVATION OF ENERGY

Steps taken on conservation of energy:

- Timer provision for Air Conditioners and Dehumidifier.
- Switching over to LED bulbs from conventional tube lights.
- Reduction in heat loss in melting furnace by modifying internal structure.
- Modification in chiller plant (from water cooler to Air Cooler system).
- Switching over to CFL instead of Sodium Lamp for street lighting.

B. TECHNOLOGY ABSORPTION

1 Research and Development (Totally in-house)

- Development of Primary activated Reserve Type Silver Zinc Batteries for Aero Space applications.
- Design and Development of high power, Ag Zn Pile battery.
- Development and Production of PAFC & PEM Fuel Cells.
- Research work on Ternary Electro – catalyst with low Pt, for Fuel Cells.
- Design, development and Demonstration of 1kW/ 10kWh of Vanadium based Flow Battery (VFB).
- Development work on 2nd Life Lithium Ion Battery (LIB).

2 Benefits derived as a result of above R & D

- Elimination of imports in their respective categories.
- Saving of substantial foreign exchange outgo.
- Indigeneous availability of Batteries for strategic Defence applications, without any restriction and / or embargo.

- Export of the Developed Batteries with earning of foreign exchange.
- Upgradation of technology to match the change in requirements.
- Indigenization, Upgradation and self reliance in the critical field of batteries for strategic defense applications.
- “Make in India” and “Atmanirbhar” concepts fully implemented over four decades (Since 1979).

3 Future Plan of Action

To continue Research and Development in the areas mentioned in Para B1 alone.

4 Expenditure on R & D during the year

(₹ in lakhs)

	As At 31.03.2022	As At 31.03.2021
Capital	-	-
Recurring	80.39	61.28
Total	80.39	61.28

5 Technology Absorption and Adoption

During the year under review, no overseas technology was acquired.

6 Foreign Exchange Earnings and Outgo

(₹ in lakhs)

	As At 31.03.2022	As At 31.03.2021
Earnings	159.14	33.26
Outgo	793.96	454.23

ANNEXURE - 7 TO BOARD'S REPORT

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members

M/s. High Energy Batteries (India) Limited

(CIN:L36999TN1961PLC004606)

"Esvin House", 13, Old Mahabalipuram

Road, Perungudi,

Chennai - 600 096.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. High Energy Batteries (India) Limited, (CIN: L36999TN1961PLC004606), Chennai - 600 096 (hereinafter called 'the Company').

The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances for expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by 'the Company' and also the information provided electronically by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the financial year ended on 31st March 2022, according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the Rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

c. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

(v) Other Laws applicable specifically to the Company:

a. The Batteries (Management and Handling) Rules, 2001

b. Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989

c. Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards with respect to the meetings of the Board of Directors (SS-1) and

ANNEXURE - 7 TO BOARD'S REPORT

General Meetings (SS-2) issued by the Institute of Company Secretaries of India.

- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

During the year under report, the Company did not attract the provisions of:

- (i) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (ii) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
 - The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice with agenda items supported by detailed notes thereon is given to all Directors to schedule the Board Meetings and Committee meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meetings and for meaningful participation at the meetings.

Majority decision is carried through, while the dissenting members' views are captured and recorded as part of the minutes. But there were no dissenting views during the year under report.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

We further report that during the audit period the Company had no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards, etc., referred to above.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
M/s. HIGH ENERGY BATTERIES (INDIA) LIMITED**

Report on the audit of Financial Statements

Opinion

We have audited the Standalone Financial Statements of HIGH ENERGY BATTERIES (INDIA) LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022 and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and Notes to the Financial Statements, including a summary of the Significant Accounting Policies and other explanatory information hereinafter referred to as Financial Statements.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the Profit (Including Other Comprehensive Income), the changes in Equity, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters & Conclusion
<p>1. As on 31st March 2022, the Inventories (Note no 6 carrying value ₹ 3542.81 Lakhs) are valued at lower of cost and net realizable value.</p> <p>We considered the value of Inventories as key audit matter considering the relative size of it in the financial statements.</p>	<p>We understood and tested the design and operating effectiveness of controls with respect to receipt, issues, year end physical verification, and valuation of inventories.</p> <p>We applied standard audit procedures during physical verification including recheck of the physical stock of selected items.</p> <p>We have verified the cost calculation with the relevant record and also the orders from the customers for comparison of the selling prices with the cost.</p> <p>Based on the above audit procedures we have concluded that the management's determination of the value of Inventories is reasonable and in accordance with Ind AS 2 – Inventories.</p>
<p>2. Note No 12 - Other current Assets - Material receivable from Customers as on 31.03.2022 ₹ 376.45 Lakhs being a significant account balance we have considered this as a key audit matter</p>	<p>We have verified the Contract with Customers.</p> <p>We have tested the internal control procedures for usage of materials on customer account and receipt of Materials from Customers.</p> <p>Based on the test checks and audit procedures applied by us we are satisfied on the Balance of Material Receivable from the customers.</p> <p>We have also verified the evidences for subsequent receipt of the materials.</p>
<p>3. Trade Receivable as on 31.03.2022 is ₹ 1969.76 Lakhs, is considered as a Key Audit Matter, being a significant account balance in the financial statements.</p>	<p>We have tested the internal control procedures in the area of sales, dispatches.</p> <p>We have verified the sales amounts with the orders from customers, and documents relating to transfer of control to customers.</p> <p>We have also applied our alternate audit procedures such as verification of the internal and external evidence for dispatch of the goods for major items and subsequent bank receipts.</p> <p>Based on the audit procedures performed we are satisfied that the amount stated in the financial statements is in line with accepted accounting procedures and applicable accounting standards.</p>

Information Other Than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information in the Annual Report, comprising of the Director's report and its annexures, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the Financial Position, Financial Performance (including Other Comprehensive Income), Changes in Equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users, taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the Directors as on 31st March, 2022 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2022 from being appointed as a Director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer notes to financial statements).
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the company.

- iv. (a) The management has represented that, to the best of the knowledge and belief as disclosed in the note to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the division to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities Identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 36 (D) (i) (a) & (b) to financial statements no funds have been received by the division from any persons or entities, including foreign entities (“funding Parties”), with the understanding, whether recorded in writing or otherwise, that the division shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries ; and
- (c) Based on such audit procedures we have considered reasonable and appropriate in the circumstances, nothing has come to the notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) contain any material misstatement.
- v) (a) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.
- (b) As stated in note 13 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

**ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON
THE STANDALONE IND AS FINANCIAL STATEMENTS OF
HIGH ENERGY BATTERIES (INDIA) LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the Internal Financial Controls over Financial Reporting of **HIGH ENERGY BATTERIES (INDIA) LIMITED** (“the Company”) as of March 31, 2022 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Controls System over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that:

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting to future periods are

subject to the risk that the Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System over Financial Reporting and such Internal Financial Controls over Financial Reporting were operating effectively as at March 31, 2022, based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF HIGH ENERGY BATTERIES (INDIA) LIMITED

The Annexure referred to in Paragraph 2 under the heading ‘Report on Other Legal and Regulatory Requirements’ of our Report of even date:

- (i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
 - (B) The company is maintaining proper records showing full particulars of intangible assets;
- (b) These Property, Plant and Equipment have been physically verified by the Management at the year end and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The Management has conducted physical verification of inventory at reasonable intervals and in our opinion, the coverage and procedure of such verification by the management is appropriate ; discrepancies of 10% or more were not noticed.
- (b) The company has been sanctioned working capital limits of ₹ 7500 Lakhs (Both fund and non-fund based) by banks. The quarterly returns or statements filed by the company with the banks or financial institutions are in agreement with the books of account of the Company/the differences are not material.
- (iii) During the year the Company has not made investments in, provided any guarantee or security or granted any loans or advances, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or other parties.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013, in respect of loans, investments, provided by the Company.
- (v) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- (vi) The Central Government has prescribed maintenance of Cost Records under Sub-section (1) of Section 148 of the Companies Act, 2013. We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the central Government for the maintenance of cost records under Section 148 of the Act, and are of the opinion that prime facie, the prescribed and such accounts and records have been made and maintained.

- (vii) According to the information and explanations given to us in respect of Statutory dues :
- (a) The Company is regular in depositing undisputed Statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Duty of Customs, Cess, and any other Statutory Dues to the appropriate authorities and there were no undisputed amounts payable which were in arrears as at 31st March 2022 for a period of more than six months from the date they became payable.
 - (b) There are no dues of Income Tax or Sales Tax or Service Tax or Duty of Customs or Duty of Excise or Value Added Tax, Cess and Goods and Service Tax that have not been deposited as on 31st March 2022 on account of disputes.
- (viii) There are no transactions relating to previously unrecorded income in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowing or in the payment of interest thereon to any lender;
- (b) The Company is not declared as a wilful defaulter by any bank or financial institution or other lender;
 - (c) The term loans were applied for the purpose for which the loans were obtained;
 - (d) The funds raised on short term basis have not been utilised for long term purposes;
 - (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
 - (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies;
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year.
- (b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence the requirements of section 42 and section 62 of the Companies Act, 2013 is not arising;
- (xi) (a) The Company has not noticed or reported during the year any fraud by the Company or any fraud on the Company.
- (b) There is no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
 - (c) There are no complaints received during the year under whistle-blower Mechanism;
- (xii) The Company is not a Nidhi Company and hence complying with the provisions of the Nidhi Rules, 2014 does not arise.
- (xiii) All transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable and the details have been disclosed in the Financial Statements, etc., as required by the applicable Accounting Standards.

- (xiv) The Company has an internal audit system commensurate with the size and nature of its business. We have considered the internal audit reports issued till date;
- (xv) The Company has not entered into any non-cash transactions with Directors or persons connected with him.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (xvii) The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no instance of any resignation of the statutory auditors occurred during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The company has spent the minimum amount required to be spent as stipulated in section 135 of the Companies Act and hence the transfer of unspent amount to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of section 135 of the said Act. The company does not have any on going projects under Section 135) of the said Act.
- (xxi) The company has no subsidiaries and therefore this clause is not applicable.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Company Overview

High Energy Batteries (India) Limited is a Public Limited Company. The Company is incorporated under The Companies Act, 1956 and is domiciled in India. Its Registered Office is located at 'Esvin House', No. 13, Old Mahabalipuram Road, Seevaram Village, Perungudi, Chennai – 600 096. The Company is a battery manufacturer with its factory located at Mathur, near Trichy. The batteries are manufactured for use in Indian Army, Navy, Air Force and Launch Vehicles and also manufactures commercial batteries for auto and standby VRLA Applications. The company's shares are listed in BSE Ltd. The Company is classified under "Small" category since 01st July, 2020 vide MSME UDYAM RegistrationNo.UDYAM-TN-02-0000445.

A. Significant Accounting Policies and Key Accounting Estimates and Judgements

1. Significant Accounting Policies

1.1 Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015.

1.2 Basis of Preparation and Compliance

The financial statements are prepared in accordance with the historical cost convention except for certain items that are measured at fair values at the end of each reporting period, as explained in the accounting policies set out below. The financial statements are prepared on a "going concern" basis using accrual concept except for the cash flow information.

Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS-2 inventories or value in use in Ind AS 36 – Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, as described hereunder:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 - Other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 - Unobservable inputs for the asset or liability.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Transactions and balances with values below the rounding off norm adopted by the company have been reflected as "--" in these financial statements.

1.3 Current / Non-Current Classification

An asset or liability is classified as current if it satisfies any of the following conditions

- (i) the asset / liability is expected to be realized / settled in the Company's normal operating cycle;
- (ii) the asset is intended for sale or consumption;
- (iii) the asset / liability is held primarily for the purpose of trading;
- (iv) the asset / liability is expected to be realized / settled within twelve months after the reporting period;
- (v) the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period;
- (vi) in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

For the purpose of current / non-current classification, the Company has reckoned its normal operating cycle as twelve months based on the nature of products and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

Deferred tax assets and liabilities are classified as non-current.

1.4 Recent Accounting Pronouncements

On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16—Property Plant and equipment - The amendment clarifies treatment of revenue earned during trial runs. The company has not undertaken any major additions to PPE during the year.

Amendment to Division II to Schedule III:

MCA vide notification dated 24.03.2021 made minor modifications to the existing disclosure requirements and further additional disclosures to be made in the Financial statements are introduced under Division II Schedule III. This is applicable for the financial statements prepared for the period from 01.04.2021. The company has examined these amendments and has made necessary disclosures that are applicable. The comparatives have also been presented in line with the amendments made to Division II Schedule III.

1.5 Property, Plant and Equipment (PPE)

Property, plant and equipment are tangible items that:

- (a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

(b) are expected to be used during more than one period.

The cost of an item of property, plant and equipment shall be recognized as an asset if, and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

(i) An item of PPE that qualifies for recognition as an asset is measured on initial recognition at cost. Following initial recognition, PPEs are carried at its cost less accumulated depreciation and accumulated impairment losses.

(i)(a) For transition to Ind AS, the Company has elected to continue with the carrying value of all of its PPE recognized as of April 1, 2016 (transition date) measured as per the previous IGAAP as its deemed cost as on the transition date except land, which has been measured at fair value as deemed cost on the transition date.

(ii) The cost of an item of PPE comprises purchase price, taxes and duties net of input tax credit entitlement and other items directly attributable to the cost of bringing the asset to its working condition for its intended use. Trade discounts and rebates are deducted. Cost includes cost of replacing a part of a PPE if the recognition criteria are met. Expenses directly attributable to new manufacturing facility during its construction period are capitalized if the recognition criteria are met. Expenditure related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant heads of PPE if the recognition criteria are met.

(iii) The Company identifies and determines the cost of each part of an item of PPE separately, if the part has a cost which is significant to the total cost of that item of PPE and has useful life that is materially different from that of the remaining item.

(iv) Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of PPE are capitalized at cost. Costs in nature of repairs and maintenance are recognized in the statement of Profit and Loss as and when incurred. All upgradation / enhancements are charged off as revenue expenditure unless they bring significant additional benefits. Borrowing Costs (net of interest earned on temporary investments of those borrowings) directly attributable to acquisition, construction or production of qualifying assets are capitalized as part of the cost of the assets till the asset is ready for its intended use.

(v) Capital advances and capital work-in-progress

Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets. Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work-in-progress. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Depreciation on these assets commence when the assets are ready for their intended use.

(vi) Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives and residual values are reviewed at the end of each reporting period and changes, if any, are treated as changes in accounting estimate. The useful lives are based on technical estimates and the management believes that the useful lives are realistic and fair approximation over the period of which the assets are likely to be used.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

(vii) Estimated useful lives of the assets are as follows:

Asset	Years
Factory Buildings	30
Fences, Walls, Tube wells	5
Buildings (other than factory buildings)	10
Plant and Equipment – Silver Zinc Plant	15
Plant and Equipment – Lead Acid Battery Plant	
Pump Motors and motorized pump stations	15
Moulds Humidifier & Air Conditioners	10
Others	20
Computers	3
Servers	6
Furniture and Fixtures	10
Vehicles (Secondhand vehicles Based on Kilometers run maximum 12 years)	12
Office Equipment	5

Assets costing ₹ 5,000/- and below are depreciated in full within the Financial Year.

The useful lives are based on the technical estimates made by the management which in the opinion of the management are realistic and fair approximation over the period over which assets are likely to be used.

1.6 Intangible assets

a. Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed annually with the effect of any changes in estimate being accounted for on a prospective basis.

b. Useful lives of intangible assets

Intangible assets are amortized equally over the estimated useful life not exceeding five years.

Estimated useful life of Computer Software is five years.

1.7 De-recognition of tangible and intangible assets

An item of tangible and intangible asset is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of tangible and intangible assets is determined as the difference between the sales proceeds if any and the carrying amount of the asset and is recognized in the statement of profit or loss.

1.8 Impairment of tangible and intangible assets

The Company annually reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to Sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

1.9 Revenue Recognition

Revenue from contract with customers

Effective from 1st April 2018, the company has applied **IND AS-115-Revenue from contracts with customers**. Application of the standard does not have any significant impact with revenue recognition and measurements.

a. Revenue Recognition

Revenue on sale of Goods is recognized at a point in time on transfer of control of the products to the customer in an amount that reflects the consideration the company expects to receive in exchange for those products pursuant to the contract with the Customer.

Transfer of control

Transfer of control happens

- a) In respect of Aerospace, Naval and power system batteries on issue of Inspection Note by the customer and delivery to the common carrier and
- b) In respect of Lead Acid Batteries when the goods are delivered to the common carrier.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Development-cum-supply contracts

- a) Revenue is recognized over a period of time based on output method and mile stones achieved when the performance obligations in respect of the development work is distinct and independent from supply of goods.
- b) Revenue is recognized over a period of time under the input method and mile stones achieved where developmental work and the supplies are inter-related or inter-dependent.
- c) When substantial portion of the developmental work has not been completed, the amount of expenditure incurred on the development work such as employees benefit expenses, materials and other direct expenses are carried forward as '**Work in progress**'.

Significant financing component

Payment terms in Defense contracts are standardized and generally uniform across all customers. Typical payment terms are by way of advances, milestones achieved and 5%/10% payment on submission of BG or on the expiry of the warranty period.

The timing of the transfer of the goods is as specified by the customer in the contract. Advance from customers is for procuring specific materials having a long lead delivery time and specific to the products in nature and therefore the advances are not considered to have any significant financing component.

5% /10% payments are in the nature of retention towards performance warranty and do not carry any financing element and are moneys retained for reasons other than provision of finance. The retention moneys are payable on submission of bank guarantees and are classified as current.

Contract Assets:

Contract Asset represents the company's right to receive the consideration in exchange for the Goods or Services that the company has transferred to the customer, when the right is conditioned on something other than passage of time.

Materials receivable from the customer in respect of products already supplied as per the terms of the contract is recognized and is disclosed as non-financial assets - other current assets.

Contract liabilities – Cash Advance from Customers are disclosed under Current/Non Current based on the delivery period as per the contract as amended from time to time.

Advances in the form of materials from Customer are secured by Bank Guarantees and are netted off against the Inventory carried as the advance is to be adjusted by supply of products and is disclosed in the notes to accounts.

Impairment of Trade Receivables

Receivables from Government Departments are generally treated as fully recoverable based on past experience. However, in respect of other customers, impairment on account of expected credit loss is assessed on a case to case basis in respect of dues outstanding for a significant period of time.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

b. Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and using effective interest rate method.

c. Insurance Claims

Insurance claims are recognized on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

1.10 Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Grants are recognized in the Statement of Profit and Loss on a systematic basis over the period in which the Company recognises as expense the related costs which the grants are intended to compensate. Specifically, Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the Balance Sheet and transferred to the Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

Grants that are receivable as compensation for expenses or losses incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in the Statement of Profit and Loss in the period in which they become receivable.

Grants related to income are presented in the Statement of Profit and Loss as 'other income' or deducted in reporting the related expense. Receivables of such grants are disclosed under "Other Financial Assets".

1.11 Inventories

Inventories are valued at lower of cost and net realizable value. Materials and other items intended for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. Cost includes taxes and duties, net of input tax credit entitlement. Cost of raw materials and components, stores and spares is determined on weighted average basis and includes inward freight and other direct expenses and Loose Tools are estimated to have useful life of three years and are charged to statement of profit and loss in equal installments over the useful life. Loose tools are carried at cost less amortization. Finished goods/Work-in-progress are valued at cost and cost includes material, direct labour,

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

overheads (other than administrative overheads that do not contribute to bring the inventories to the present location and condition and selling costs) incurred in bringing the inventory to their present location and condition. Net realizable value is the estimated selling price less estimated costs for completion and sale.

Obsolete, slow moving and defective inventories are periodically identified and provision is made where ever necessary.

1.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use are added to the cost of those assets, until such time the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the Statement of profit or loss in the period in which they are incurred.

1.13 Employee Benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

(b) Post-employment benefits

(i) Defined Contribution Plans

Contribution to Provident Fund(Defined Contribution Plan) as per the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 is recognised as expense in the Statement of Profit and Loss and remitted to the Provident Fund Commissioner. The contribution to the Superannuation Fund (Defined Contribution Plan) is recognised as expense and funded with Life Insurance Corporation of India.

(ii) Defined Benefit Plans

The company operates the Defined Benefit Gratuity Plan for employees. The cost of providing defined benefits is determined using the Projected Unit Credit Method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/(asset) are recognized in the Statement of Profit and Loss. Re-measurements of the net defined benefit liability/(asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liabilities/asset) are recognized in other comprehensive income and taken to retained earnings. Such re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

The entire liability towards gratuity is considered as current as the company is expected to contribute this amount to the gratuity fund within the next twelve months.

(c) Other Long-term Employee Benefits (Unfunded)

Entitlement to annual leave is recognized when they accrue to employees. Annual leave can be availed or encashed either during service or on retirement subject to a restriction on the maximum days of accumulation of leave. The company determines the liability for such accumulated leave using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date.

1.14 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

1.15 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

1.16 Financial assets

All regular purchases or sales of financial assets are recognised and de-recognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

a. Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost. The debt instruments carried at amortised cost include Deposits, Loans and advances recoverable in cash.

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

b. Effective interest method (EIR)

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as FVTPL. Interest income is recognised in the Statement of profit or loss.

c. Investments in equity instruments at FVTOCI

The company has irrevocably designated to carry investment in equity instruments at Fair value through other comprehensive income. On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. On de-recognition of such Financial Assets, cumulative gain or loss previously reported in OCI is not reclassified from Equity to statement of Profit and Loss. However, the company may transfer such cumulative gain or loss into retained earnings within equity.

The Company has equity investments which are not held for trading. The Company has elected the FVTOCI irrevocable option for these investments (see note 3). Fair value is determined in the manner described in note 1.2.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Dividends on these investments in equity instruments are recognised in the statement of profit or loss when the Company's right to receive same is established, it is probable that the economic benefits associated with the dividend will flow to the company, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

d. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses "Expected Credit Loss" (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible defaults events over the life of the financial instrument).

For trade receivable, Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk, if there is significant increase in credit risk full lifetime ECL is used.

e. De-recognition of Financial Assets:

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognised when the obligation specified in the contract is discharged or cancelled or expires.

Concomitantly, if the asset is one that is measured at

- (a) Amortised cost, the gain or loss is recognized in the Statement of Profit and Loss.
- (b) Fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

1.17 Financial liabilities and equity instruments

a. Classification as debt or equity

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

b. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company are recognised at the proceeds received, net of direct issue costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

c. Financial liabilities

All financial liabilities are initially recognized at the value of respective contractual obligations. Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

d. Derecognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability modified, such an exchange or modification is treated as the De-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability de-recognised and the consideration paid is recognised in the Statement of Profit and Loss.

1.18 Foreign Currency Transactions

a. Initial Recognition

On initial recognition, transactions in foreign currencies are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

b. Measurement of foreign currency items at reporting date

Foreign currency monetary items are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is measured.

c. Recognition of exchange difference

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements is recognized in profit or loss in the period in which they arise.

1.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.20 Taxes on Income

Taxes on income comprise of current tax and deferred tax.

a. Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates and tax laws enacted during the reporting period together with any adjustment to tax in payable in respect of previous years.

b. Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the accounting profit nor the taxable profit, deferred tax liabilities are not recognized.

Deferred tax assets are recognized for all deductible temporary differences to the extent it is probable that future taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

Deferred Tax Assets in respect of tax carry forward of unused tax losses and unused tax credits are recognised to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

c. Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

1.21 Events after reporting period

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size of nature are only disclosed.

1.22 Segment Reporting

Operating segments are reported in a manner consistent with internal reporting provided to the Chief Operating Decision Maker (CODM) of the company. The CODM is responsible for allocating resource and assessing performance of the operating segments of the company. The Managing Director is identified as the CODM.

Segment accounting policies are in line with the accounting policies of the company. In addition, the specific accounting policies have been followed for segment reporting as under:

The Company has identified two business segments viz. 1. Aerospace, Naval and Power System Batteries and 2. Lead Acid Batteries. Revenue and expenses have been identified to respective segments on the basis of operating activities of the enterprise. Revenue and expenses which relate to the enterprise as a whole and are not allocable to a segment on a reasonable basis have been disclosed as unallocable revenue and expenses.

Segment assets and liabilities represent assets and liabilities in respective segments. Other assets and liabilities that cannot be allocated to a segment on a reasonable basis have been disclosed as unallocable assets and liabilities.

Inter segment revenue / expenditure – Not Applicable.

Geographical segment – Not Applicable.

1.23 Earnings Per Share (EPS)

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

Key Accounting estimates and judgments

1.1 Use of Estimates

The preparation of financial statements in conformity with IndAS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

1.2 Key sources of estimation uncertainty

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Key assumption concerning the future and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is as given below.

a. Fair value measurement and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. The management works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the mode.

b. Useful life of Property, Plant and Equipments

The Company reviews the estimated useful life of Property, Plant and equipment at the end of each reporting period. During the current year, there has been no change in useful life considered for the assets.

c. Actuarial valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

d. Claims, Provisions and Contingent Liabilities

The Company has ongoing litigations with various tax and regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

e Capital Management

The Company follows conservative capital management with the objective of maximising shareholders' value. For the purpose of company capital management, capital includes issued capital and all other equity reserves attributable to the share holders of the company. The Company has been funding its growth and working capital requirements through a balanced approach of internal accruals and external debt from the banks and long term loans from companies. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt component of the Company.

		-	279.02	3270.35	3896.20

1. The fair value of quoted investment in quoted equity shares measured at quoted price on the reporting date.
2. In case of trade receivables, cash and cash equivalents, trade payables, short term borrowings and other financial assets and liabilities it is assessed that the fair values approximate their carrying amounts largely due to the short-term maturities of these instruments.
3. The fair values of the financial assets and financial liabilities included above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.
4. Investment in equity shares are held as promoter and not held for disposal and are therefore classified as Fair value through Other Comprehensive Income.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

36 (B) : Fair value Measurements

(i) The following table provides the fair value measurement hierarchy of the Company's financial assets and liabilities:

As at 31st March, 2022

₹ in lakhs

Financial Assets / Financial Liabilities	Fair value as at 31.03.2022	Fair value hierarchy		
		Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Financial assets measured at fair value through other comprehensive income				
Investments in quoted equity shares (Refer Note 3)	91.21	91.21	-	-
Investments in unquoted equity shares - Other Entities (Refer Note 3)	4.51	-	-	4.51

As at 31st March, 2021

₹ in lakhs

Financial Assets / Financial Liabilities	Fair value as at 31.03.2021	Fair value hierarchy		
		Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Financial assets measured at fair value through other comprehensive income				
Investments in quoted equity shares (Refer Note 3)	83.84	83.84	-	-
Investments in unquoted equity shares - Other Entities (Refer Note 3)	4.51	-	-	4.51

(ii) Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

36 C Financial Risk Management- Objectives and Policies

The company's financial liabilities comprise mainly of Long Term Loan from Banks, working capital borrowings from banks, bills payable, inter corporate loans from companies, trade payables and other payables. The company's financial asset comprises mainly cash equivalents, other balances with banks, trade receivables, other receivables and investments.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

The Company has financial risk exposure in the form of market risk, credit risk and liquidity risk. The risk management policies of the Company are monitored by the Board of Directors. The present disclosure made by the Company summarizes the exposure to the financial risks.

1) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market price comprises two types of risks viz., Currency risk and other price risk. The financial instruments affected by market risk include rupee term loan and loans & advance.

a) Interest Rate Risk exposure

The Company has availed Long Term Loans from Banks and the outstanding as on 31.03.2022 is ₹ 34.86 Lakhs. UCO Bank Loan has floating rate of 7.85% p.a. depending up on the change in MCLR Rate.

The Company is having Working Capital facility limit of ₹ 3000 lakhs with Banks. The company also discounts its receivables to meet its short term fund requirements. The interest rate is @ 8.45% UCO Bank & 8.20% Punjab National bank depending upon the change in MCRL Rate.

Interest Rate Sensitivity analysis

The Company considering the economic environment in which it operates has determined the interest rate sensitivity analysis (interest exposure at the end of the reporting period). The interest rates for the Company are floating rate and hence the analysis in the case of Long Term Loan from Banks is prepared by re-computing the Repayment schedule for the rest of the repayment period and in the case of working capital Limit is prepared assuming the amount of the borrowings outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis points +/- 0.50% fluctuation in interest rate is used for disclosing the sensitivity analysis.

₹ in lakhs

Sensitivity Basis	Impact on Profit before tax
Interest rates - increased by 50 basis points	(15.00)
Interest rates - decreased by 50 basis points	15.00

The interest rate sensitivity analysis is done holding on the assumption that all other variables remain constant.

The increase/decrease in interest expense is chiefly attributable to the Company's exposure to interest rates on its variable rate of borrowings.

b) Foreign currency risk exposure

The Company imports Silver Bullion, Silver Foil, Magnesium Sheets, other Raw materials and Stores and spares for which payables are denominated in foreign currency. The Company is exposed to foreign currency risk on these transactions. Since the trade payables in foreign currency have a maturity of 30 to 60 days the company does not perceive major risk and accordingly they are not hedged.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

In respect of batteries, exports are made against advances received or against confirmed LCs of usance period not exceeding 90 days. The company is having Receivable of USD 37,950 equal to ₹ 28.68 Lakhs as on 31.03.2022.

2) Credit Risk

The credit risk refers to risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances, other balances with banks and other receivables.

The credit risk arising from the exposure of investing in other balances with banks and bank balances is limited and there is no collateral held against these because the counterparties are public sector banks.

The Company sells its products of Aerospace Naval and Power System Batteries to Defence Customers where the payment terms are definite. From the Defense Organisations and Government of India, payments are all received as per the terms of the contracts. The risk is restricted to the Liquidated damages clause for late supplies as per the contract terms and there is no irrevocable credit loss risk.

3) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or other financial asset. Liquidity risk may result from an inability to sell a financial asset quickly to meet obligations when due. The Company's exposure to liquidity risk arises primarily from mismatches of maturities of financial assets and liabilities.

The Company manages the liquidity risk by –

- (i) maintaining adequate and sufficient cash and cash equivalents including and
- (ii) Making available the funds from realizing timely maturities of financial assets to meet the obligations when due.

The management monitors rolling forecast of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. Also, the company manages the liquidity risk by projecting cash flows considering the level of liquid assets necessary to meet the obligations by matching the maturity profiles of financial assets and financial liabilities and monitoring balance sheet liquidity ratios. Further, liquidity risk management involves matching the maturity profiles of financial assets and financial liabilities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

36. (D) Additional Regulatory Information:

Additional Regulatory Informations required under Division II to Schedule III of Companies Act,2013

S I . No.	Disclosure requirement as per amended Schedule III	Reason for non-disclosure
1	Title deeds of immovable property not held in the name of the company	Title deeds of all immovable properties are held in the name of the company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

* The amounts are reported without deducting the provision for impairment.

** The amount of difference between books and quarterly statements being less than 10% of each class of inventory reasons are not given. However, there is no quantity difference.

(iii) Analytical Ratios

₹ in lakhs

Sl. No.	Particulars	Year ended 31.03.2022		Year ended 31.03.2021		Explanation for the change in Ratios by more than 25% from previous year
(a)	Current ratio (times) $\frac{\text{Current Assets}}{\text{Current Liabilities}}$	$\frac{6564.18}{3773.60}$	1.74	$\frac{6001.66}{4317.83}$	1.39	Increased working capital buildup to protect against the volatility in prices and lead time for certain key input materials so as to meet timely delivery schedule and ensure profitability .
(b)	Debt-equity ratio (times) $\frac{\text{Total Debt}}{\text{Shareholder's Equity}}$ (Note : Debt includes current and non-current borrowings)	$\frac{2452.65}{5479.45}$	0.45	$\frac{3183.82}{4111.20}$	0.77	Achieving debt reduction out of internal generations and substitution of high cost debts with low cost bank borrowings.
(c)	Debt service coverage ratio (times) $\frac{\text{Earnings available for debt service}}{\text{Debt Service}}$	$\frac{2297.62}{844.99}$	2.72	$\frac{2462.49}{1130.49}$	2.18	Reduction in debt and consequent increase in EBITDA helped achieving a better DSCR.
(d)	Return on equity ratio $\frac{\text{Net Profits after taxes – Preference Dividend}}{\text{Average Shareholder's Equity}}$	$\frac{1794.98}{4795.33}$	37.43%	$\frac{1832.93}{3217.05}$	56.98%	Profit after tax remains almost the same but average shareholders equity has increased due to retained earnings of the previous year. This resulted in decrease of return on Equity Ratio.
(e)	Inventory turnover ratio (times) $\frac{\text{Cost of goods sold or sales}}{\text{Average Inventory}}$	$\frac{5037.85}{3212.97}$	1.57	$\frac{4803.57}{2840.53}$	1.69	Decrease due to Work in progress build up based on pending order.
(f)	Trade receivables turnover ratio (times) $\frac{\text{Net Credit Sales}}{\text{Avg. Accounts Receivable}}$	$\frac{7925.74}{1896.50}$	4.18	$\frac{7752.75}{1370.79}$	5.66	Average accounts receivable increased, but the turnover remained almost the same as compared to the previous year. This resulted in decrease of this ratio.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Sl. No.	Particulars	Year ended 31.03.2022		Year ended 31.03.2021		Explanation for the change in Ratios by more than 25% from previous year
(g)	Trade payables turnover ratio (times)		12.91		13.60	
	$\frac{\text{Net Credit Purchases}}{\text{Average Trade Payables}}$	$\frac{5697.54}{441.28}$		$\frac{4888.75}{359.50}$		
(h)	Net capital turnover ratio (times)		2.84		4.60	Increased working capital buildup to protect against the volatility in prices and lead time for certain key input materials so as to meet timely delivery schedule and ensure profitability. Sales remains the same, increased working capital resulted in lower Net Capital turnover ratio.
	$\frac{\text{Net Sales}}{\text{Working Capital}}$	$\frac{7925.74}{2790.58}$		$\frac{7752.75}{1683.83}$		
(i)	Net profit ratio		22.65%		23.64%	
	$\frac{\text{Net Profit}}{\text{Net Sales}}$	$\frac{1794.98}{7925.74}$		$\frac{1832.93}{7752.75}$		
(j)	Return on capital employed		34.24%		36.21%	
	$\frac{\text{Earning before interest and taxes}}{\text{Capital Employed}}$	$\frac{2851.99}{8329.65}$		$\frac{2911.31}{8040.13}$		
(k)	Return on investment	Since most of the investments of the company is in Core activities, investments in shares is materially insignificant, ROI is represented through ROCE.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

37 Impairment Assessment of PPE

The LAB facility was not operated during the year also due to unremunerative prices and volatility in the price of key materials. However, Various options are being evaluated to restart the operations. Consequently, impairment provision for Current Year ₹ 7.30 Lakhs (Previous Year - ₹ 0.67 Lakhs) is recognized in respect of inventories. However, no impairment provision is considered necessary in respect of PPE as the carrying value as per books is less than the recoverable value of ₹ 765 Lakhs as assessed by an Independent Chartered Engineer.

Utilisations	-	-	-	-
Reversals	19.74	-	2.00	14.88
Closing Balance	165.00	184.74	-	2.00

42. Employee Benefits

(i) Defined Contribution Plans:

The Company makes Provident Fund and Superannuation Fund contributions which are defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised ₹ 39.20 Lakhs (Year ended March 31, 2021 ₹ 26.16 Lakhs) for Provident Fund contributions and ₹ 3.60 Lakhs (Year ended March 31, 2021 ₹ 3.60 Lakhs) for Superannuation Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

(ii) Defined Benefit Plans:

Gratuity (Funded)

In respect of Gratuity, Actuarial valuation of Plan Assets and the defined benefit obligation as on the reporting date carried out by an Actuary. The present value of the defined benefit obligation and the related current service cost and past service cost, were measured using the projected unit cost method. The following table sets forth the status of the Gratuity Plan and the benefit Scheme of the Company and the amount recognised in the Balance Sheet and Statement of Profit and Loss. The Company provides the gratuity benefit through annual contributions to the funds managed by the Life Insurance Corporation of India.

The Company is exposed to various risks in providing the above gratuity benefit which are as follows:

Interest Rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Investment Risk : The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Salary Escalation Risk : The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future, based on past experience. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk : The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out adverse compared to the assumptions.

₹ in lakhs

Particulars	Post Employment Benefit - Funded plan

- Actuarial Gain and Losses arising from changes in demographic adjustment	(2.69)	0.54
- Actuarial Gain and Losses arising from changes in financial Assumption	12.68	19.21

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

₹ in lakhs

Particulars	Post Employment Benefit - Funded plan	
	As at 31.03.2022	As at 31.03.2021
- Actuarial Gain and Losses arising from changes in experience adjustment	184.88	39.43
Return on plan assets	(16.02)	(0.43)
Net cost in Other Comprehensive Income	210.88	59.59
Asset information		
- Insurer managed	100%	100%
Principal actuarial assumptions		
Mortality	Indian assured Lives Mortality (2012-2014)	
Discount rate (%)	6.84%	6.57%
Future Salary increase (%)	8%	7%
Expected Rate of return of plan assets (%)	6.57%	6.56%
Expected average remaining working lives of employees (years)	9.00	9.00
Expected contribution	85.00	0.74

The Company has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in an increase in liability without corresponding increase in the asset).

The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below:

Particulars	31.03.2022	31.03.2021
Discount Rate		
- 0.5% Increase	18.67	4.88
- 0.5% Decrease	(20.53)	(5.35)
Salary Growth Rate		
- 0.5% Increase	17.97	4.82
- 0.5% Decrease	(16.67)	(4.49)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

The Company's best estimate of the contribution expected to be paid to the plan during the next year is ₹ 85.00 Lakhs (Previous year ₹ 1.00 Lakh).

43. Segment Reporting

Factors used to identify Reporting Segments:

The company has the following reportable Operating segments, which are its reporting segments. These segments offer different types of batteries to different types of customers and are managed separately because they require different technology and production process. Operating segment disclosures are consistent with the information provided to and reviewed by the Chief Operating Decision Maker.

Reportable Segment	Products offered
Aerospace, Naval and Power System Batteries	Silver Zinc Batteries are manufactured in this segment, the customers in majority being the Defence ministry of Indian Government
Lead Acid Batteries	Batteries for commercial application are manufactured in this segment

The measurement principles of segment are consistent with those used in Significant Accounting Policies.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

There is no Inter-Segment transfer.

F. Revenue from External Customers:

Three customers contribute to more than 10% of the revenue of Aerospace, Naval and Power Systems (ANPS) Segment.

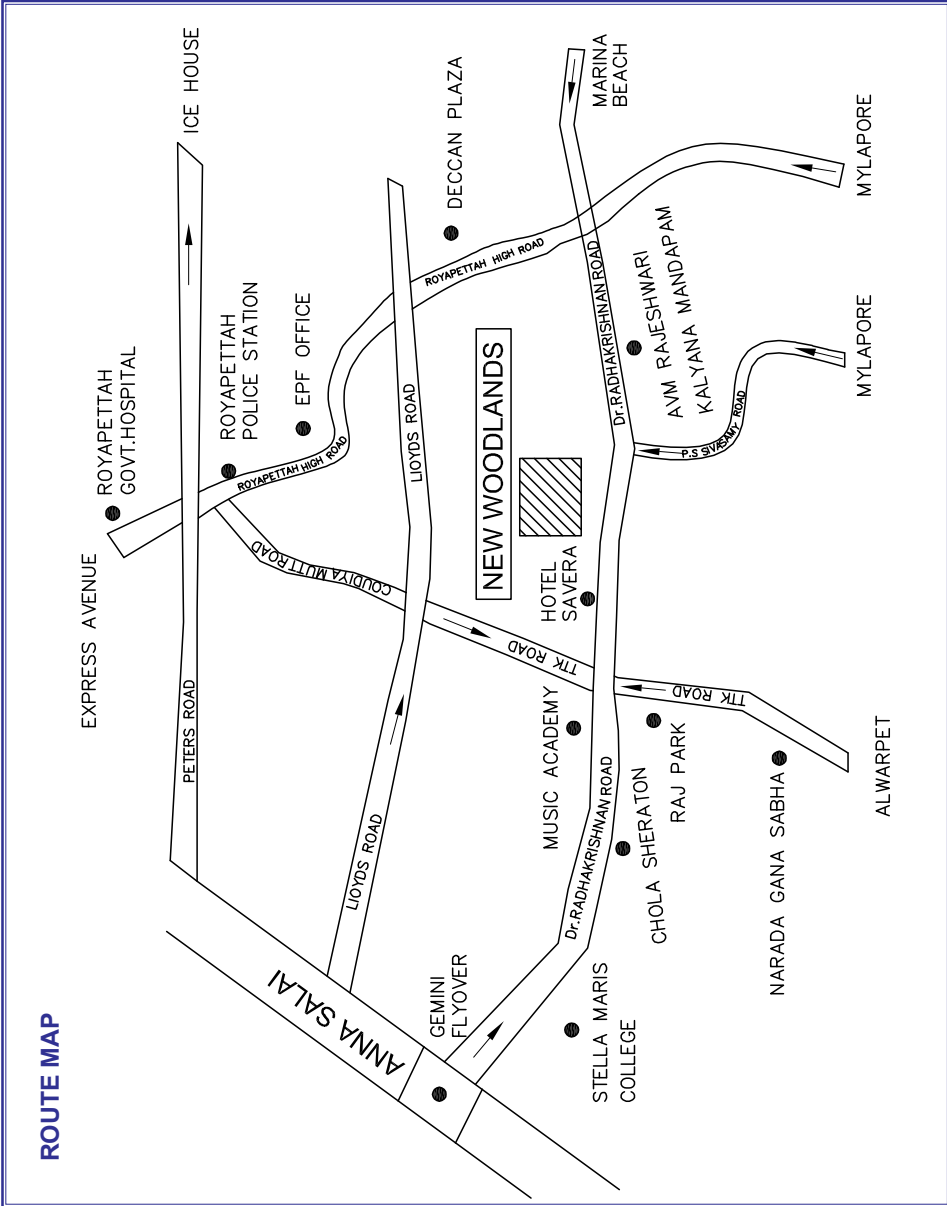

Due to temporary suspension of Lead Acid Battery (LAB) operations during the year, the previous year figures are not comparable.

44. Authorisation for issue of Financials

The financial statements have been authorised for issue by the Board of Directors at the Board Meeting held on 07th May, 2022.
